The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AUTHORIZATION TO RENEW 37 PHARMACY AGREEMENTS, 21 COMMUNITY
CARE RESIDENTIAL FACILITY AGREEMENTS, 16 OUT-OF-STATE CHILD
PLACEMENT MENTAL HEALTH SERVICES AGREEMENTS, 8 UNIQUE
AGREEMENTS, AND 4 CONSULTANT SERVICES AGREEMENTS
AND
APPROVAL OF MULTIPLE AGREEMENT FORMATS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Department of Mental Health's (DMH) renewal of the following 86 specialized agreements:
 - A. Thirty-seven Pharmacy Agreements, as listed in Attachment A, will be funded with Sales Tax Realignment funds in the amount of \$30,000,000 at the rate of .85 of the Average Wholesale Price (AWP), which is the industry standard, plus a professional fee of \$3.35. These agreements are a critical component in the delivery of mental health services, as prescribed medication plays a vital role in the treatment of mental health patients. The term of these 37 agreements will be effective July 1, 2004 through June 30, 2005, with four automatic one-year renewal periods.
 - B. Twenty-one Community Care Residential Facility (CCRF) Agreements, as listed in Attachment B, will be funded in the amount of \$1,597,000 from DMH's Interim Funding (IF) allocation pool for board and care services at the rate established by the California State Department of Social Services (SDSS) for IF board and care facilities. These agreements will provide

basic board and care services, which include personal care, supervision, assistance, guidance, and training of residents in a 24-hour CCRF. As part of the clients' total care, arrangements are made for clients to receive personal and incidental (P and I) expenses and mental health services, which may be rendered off-site at facilities other than the contractors. The term of these 21 agreements will be effective July 1, 2004 through June 30, 2005, with two automatic one-year renewal periods.

- C. Sixteen Out-of-State Child Placement Mental Health Services Agreements, as listed in Attachment C, will be funded with Sales Tax Realignment funds in the amount of \$3,500,000 and Senate Bill (SB) 90 appropriation funds in the amount of \$2,700,000, for a total of \$6,200,000. These agreements will provide mental health services to children and adolescents who are seriously emotionally disturbed (SED) and who have been assessed by DMH and determined to require residential placement and mental health services outside the State of California. The term of these 16 agreements will be effective July 1, 2004 through June 30, 2005, with two automatic one-year renewal periods.
- D. Six Unique Agreements will be funded with Sales Tax Realignment funds in the amount of \$2,658,067; one Mental Health Medi-Cal Professional Services Agreement - Unique Group Provider will be funded by the State Managed Care Allocation and Federal Financial Participation (FFP) Medi-Cal revenue; and one Revenue Subcontract Agreement will generate revenue reimbursement in the amount of \$102,000 to DMH. Listed in Attachment D, these specialized agreements will provide acute psychiatric services to indigent individuals, academic training, mental health services at Los Angeles Community College and Cerritos Community College, advocacy assistance to adults and children, outpatient mental health services to Medi-Cal beneficiaries, and mental health services to homeless dually diagnosed adults. The term of these eight (8) agreements will be effective July 1, 2004 through June 30, 2005. However, six (6) of these agreements will have two (2) automatic one-year renewal periods; one (1) will have one (1) automatic one-year renewal period; and one (1) will not have any automatic one-year renewal period.
- E. Four Consultant Services Agreements, as listed in Attachment E, will be funded with Sales Tax Realignment funds in the amount of \$493,464. These agreements will provide housing assistance, cost allocation service, specialized consultation, and technical assistance services. The term of

these four (4) agreements will be effective July 1, 2004 through June 30, 2005, with two (2) automatic one-year renewal periods.

Funding for these 86 renewals is included in DMH's FY 2004-2005 Final Changes Budget.

2. Instruct the Director of Mental Health or his designee to prepare, sign, and execute these agreements between the County and contractors after DMH has prepared these agreements in accordance with Attachments A, B, C, D, and E and has obtained contractors' signatures for each Agreement.
3. Delegate authority to the Director of Mental Health to enter into future agreements, substantially similar to the Agreement formats with qualified pharmacies, CCRFs, out-of-state child placement mental health service providers, and educational institutions.
4. Approve the multiple Agreement formats, substantially similar to the following: Pharmacy Agreement (Attachment A-1), CCRF Agreement (Attachment B-1), Out-of-State Child Placement Mental Health Services Agreement (Attachment C-1), Unique Agreements (Attachments D-1, D-1a, D-1b, D-1c, D-1d, and D-1e), and Consultant Services Agreements (Attachments E-1 and E-1a).
5. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to the Pharmacy Agreements, CCRF Agreements, Out-of-State Child Placement Mental Health Services Agreements, Unique Agreements, and Consultant Services Agreements and establish as a new contracted rate or a new Maximum Contract Amount (MCA) the aggregate of each original Agreement and all amendments, provided that: 1) the County's total payments to each contractor under the Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised contracted daily rate or MCA; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Office (CAO) or their designees is obtained prior to any such Amendment; 5) the parties may by written Amendment reduce programs or services and revise the applicable MCA; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required due to the June 30, 2004 expiration date of these agreements, and new agreements are required to continue the provision of services. Upon Board approval, DMH will be able to renew the following 86 agreements for the continual provision of services without interruption:

- 1) Pharmacy Agreements will allow clients to have medications issued by mental health psychiatrists filled in their neighborhood pharmacies.
- 2) CCRF Agreements will provide basic board and care services, which include personal care, supervision, assistance, guidance, and training of clients in a 24-hour CCRF. As part of the clients' total care, arrangements are made for clients to receive P and I expenses and mental health services, which may be rendered off-site at facilities other than the contractors.
- 3) Out-of-State Child Placement Mental Health Services Agreements will allow for the provision of mental health services to SED children and adolescents who are residents of the County of Los Angeles, but who have been placed out-of-state because these SED children and adolescents have either failed in multiple local residential treatment programs or have been refused admission by a multitude of mental health programs in California.
- 4) Unique Agreements with the following contractors:
 - a) Aurora Charter Oak, Limited Liability Corporation (LLC) (Indigent Beds) and College Hospital – Cerritos (Indigent Beds) – These two contractors will provide acute psychiatric inpatient hospital services to individuals who are in need of immediate acute psychiatric evaluation and/or care and who come to the attention of law enforcement and/or DMH personnel.
 - b) California State University, Long Beach Foundation (CSULBF) – The Fiscal Intermediary Agreement for Academic Training and Student Professional Development Programs (formerly the Intern Training Program Services Agreement) will establish a fiscal intermediary mechanism between CSULBF and DMH for dispersing funds to student interns for training students from various academic institutions/professional schools in the core disciplines of nursing,

occupational therapy, psychiatric technician, psychology, public administration, recreational therapy, social work, and vocational rehabilitation. Through CSULBF, DMH developed a mechanism to pay stipends for students at various universities who have agreed to pursue future employment with DMH's mental health system.

- c) Cerritos Community College and Los Angeles Community College Districts - These agreements for on-site mental health services will allow the County an opportunity to provide much needed mental health services to students at campuses throughout the Cerritos Community College District (CCCCD) and Los Angeles Community College District (LACCD). Access to mental health services is particularly important in a college setting because it is during college that often the "first break" or the first episode of major mental illness occurs.
- d) Mental Health Advocacy Services, Inc. – The Mental Health Advocacy Services Agreement will provide advocacy assistance to adults and children with mental and developmental disabilities in Los Angeles County.
- e) Venice Family Clinic (DMH is the Subcontractor) – The Revenue Subcontract Agreement between DMH on behalf of the Edmund D. Edelman Westside Mental Health Center and Venice Family Clinic will allow DMH to continue to receive revenue in the amount of \$102,000 for the provision of case management, outreach, and mental health services to homeless dually diagnosed adults. Thus, through this Revenue Subcontract Agreement with DMH, Venice Family Clinic will be able to continue to fulfill its obligations under the terms of the grant awarded by the United States Department of Housing and Urban Development (HUD) for the provision of mental health services to the target population.
- f) University of California, Los Angeles (UCLA) Neuropsychiatric and Behavioral Health Services - The Mental Health Medi-Cal Professional Services Agreement - Unique Group Provider will provide outpatient mental health services that address mental health needs for Los Angeles County Medi-Cal beneficiaries under the Local Mental Health Plan (LMHP).

- 5) Consultant Services Agreements with the following contractors:
- a) A Community of Friends and Homes for Life Foundation - These Consultant Services Agreements will provide assistance in the development and operation of housing alternatives for chronically mentally ill adults.
 - b) KPMG Limited Liability Partnership (LLP) - The Cost Allocation Consultant Services Agreement will enable KPMG LLP to help in the cost allocation process by identifying a cost per unit of service that can be accessed for reimbursement claims, cost report, or management analysis. As there can only be one actual cost per unit of service regardless of payor source, this data will serve to streamline all financial projects that determine reimbursement costs.
 - c) California Mental Health Directors' Association (CMHDA) - The Consultant Services Agreement with CMHDA will enhance DMH's ability to review existing practices and design an effective model for increasing access throughout Los Angeles County. The availability of specialized consultation services and technical assistance will allow DMH to fully explore the variety of system components that contribute to access issues. Consultation and technical assistance may also be used in DMH's efforts to meet mandates for new program development, especially issues related to the mapping of resources and establishing entitlement benefits for mental health consumers.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goals No. 5, "Children and Families' Well-Being," and No. 7, "Health and Mental Health," within the Countywide Strategic Plan. Approved services will be provided through the collaborative partnership between government and community-based organizations.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The specific financing of these 86 agreements is as follows:

- 1) Pharmacy Agreements: The renewal of 37 Pharmacy Agreements will be funded with Sales Tax Realignment funds in the amount of \$30,000,000, which are included in DMH's FY 2004-2005 Final Changes Budget. The County reimburses each contractor at the rate of .85 of the AWP, which is the industry standard, plus a professional fee of \$3.35 for each prescription dispensed pursuant to the Agreement for medications supplied from the pharmacy's own stock. Funding for FYs 2005-2006, 2006-2007, 2007-2008, and 2008-2009 will be requested through DMH's annual budget process. There is no MCA for these 37 agreements.
- 2) CCRF Agreements: The renewal of 21 CCRF Agreements will be funded with Sales Tax Realignment funds in the amount of \$1,597,000, which are included in DMH's FY 2004-2005 Final Changes Budget. DMH funds the IF Program from an allocation pool, which reimburses facility operators at the board and care rate established by SDSS for a client's room and board and P and I expenses prior to the establishment of Supplemental Security Income (SSI) eligibility. Once a client's SSI application has been approved, retroactive SSI payments are used to reimburse this fund. Funding for FYs 2005-2006 and 2006-2007 will be requested through DMH's annual budget process. There is no MCA for these 21 agreements.
- 3) Out-Of-State Child Placement Mental Health Services Agreements: The renewal of 16 Out-of-State Child Placement Mental Health Services Agreements will be funded at the rates detailed in Attachment C. These rates are based on providers' costs, prevailing wages in the state, cost-of-living, and negotiated rates with other counties, public and private agencies, and insurance companies. These agreements will be funded with \$3,500,000 of Sales Tax Realignment funds and \$2,700,000 of SB 90 appropriation funds, for a total of \$6,200,000, which are included in DMH's FY 2004-2005 Final Changes Budget. Funding for FYs 2005-2006 and 2006-2007 will be requested through DMH's annual budget process. There is no MCA for these 16 agreements.
- 4) Unique Agreements: The renewal of these eight Unique Agreements will be funded as follows:
 - a) Aurora Charter Oak, LLC (Indigent Beds) and College Hospital – Cerritos (Indigent Beds) – The MCA for Aurora Charter Oak, LLC is \$1,145,788 and \$907,379 for College Hospital – Cerritos, fully funded with Sales Tax Realignment funds totaling \$2,053,167.

- b) California State University, Long Beach Foundation (CSULBF) – The MCA is \$200,000, fully funded with Sales Tax Realignment funds.
 - c) Cerritos Community College and Los Angeles Community College Districts – There is no MCA for these two agreements, as existing DMH staff will provide on-site mental health services at these two community colleges.
 - d) Mental Health Advocacy Services, Inc. – The MCA is \$404,900, fully funded with Sales Tax Realignment funds.
 - e) Venice Family Clinic (DMH is the Subcontractor) – The renewal of this Revenue Subcontract Agreement with Venice Family Clinic for FY 2004-2005 only will allow DMH to continue to receive revenue in the amount of \$102,000 for the provision of mental health services to homeless dually diagnosed adults.
 - f) UCLA Neuropsychiatric and Behavioral Health Services - The renewal of this Mental Health Medi-Cal Professional Services Agreement - Unique Group Provider will be funded by the State Managed Care Allocation and FFP Medi-Cal revenue, which are included in DMH's FY 2004-2005 Final Changes Budget. There is no MCA for this Agreement. The contractor is reimbursed based on the State's adjudicated rates specified in the LMHP Provider Manual.
- 5) Consultant Services Agreements: The renewal of these four Consultant Agreements will be funded with Sales Tax Realignment funds in the amount of \$493,464, which are included in DMH's FY 2004-2005 Final Changes Budget. Funding for FYs 2005-2006 and 2006-2007 will be requested through DMH's annual budget process.
- a) A Community of Friends - The MCA is \$152,300.
 - b) Homes for Life Foundation - The MCA is \$131,900.
 - c) KPMG LLP - The MCA is \$98,264.

- d) California Mental Health Directors' Association - The MCA is \$111,000.

All of these agreements permit the County to reduce the contracted daily rates and MCAs or terminate the agreements, whichever is applicable, under the terms of the agreements, if, as a result of the adoption of the County budget, funding in the agreements is reduced.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The renewal of 37 Pharmacy Agreements for FYs 2004-2005, 2005-2006, 2006-2007, 2007-2008, and 2008-2009 is part of the Outside Medical Relief Pharmacy (OMRP) Program. The OMRP Program was created nearly 50 years ago to provide lower cost medications at neighborhood pharmacies to eligible recipients of health care in Los Angeles County. This program was started by the Department of Health Services but is now predominantly used by DMH. The physicians in the contract-operated and directly-operated mental health programs write prescriptions which are filled by local private pharmacies. This program serves as a critical component in the delivery of mental health services, as prescribed medications plays a vital role in the treatment of mental health clients.

The renewal of 21 CCRF Agreements for FYs 2004-2005, 2005-2006, and 2006-2007 will allow contractors to provide basic board and care services, which include personal care, supervision, assistance, guidance, and training of clients in a 24-hour CCRF. As part of the clients' total care, arrangements are made for clients to receive P and I expenses and mental health services, which may be rendered off-site at facilities other than the contractors.

The renewal of 16 Out-of-State Child Placement Mental Health Services Agreements for FYs 2004-2005, 2005-2006, and 2006-2007 will provide for a comprehensive residential treatment program serving SED children and adolescents outside California.

The renewal of eight (8) Unique Agreements for FYs 2004-2005, 2005-2006, and 2006-2007 will allow for acute psychiatric services to indigents, academic training mental health services to students on college campuses, advocacy assistance, and mental health services to Medi-Cal beneficiaries and homeless dually diagnosed adults.

The renewal of four (4) Consultant Services Agreements for FYs 2004-2005, 2005-2006, and 2006-2007 will provide housing assistance, cost allocation service, specialized consultation services, and technical assistance.

DMH's clinical and administrative staff are assigned to supervise and administer agreements; monitor contract compliance; evaluate programs to ensure that quality services are being provided to clients; and ensure that Agreement provisions and departmental policies are being followed.

CAO, County Counsel, and DMH's Fiscal and Program Administrations have reviewed the proposed actions. All of the agreements, substantially similar to the attached formats, have been approved as to form by County Counsel. All of the Agreement formats include revised or new provisions, when applicable, in all County contracts, such as the Preamble, Child Support Compliance Program, Contractor's Exclusion from Participation in a Federally Funded Program, Six Months Notification of Agreement Expiration, and when 75 percent of the MCA is incurred, Contractor Responsibility and Debarment, Health Insurance Portability and Accountability Act (HIPAA), Jury Service, No Payment following Contract Expiration/Termination, and Safely Surrendered Baby Law. However, the Mental Health Medi-Cal Professional Services Agreement – Unique Group Provider with UCLA Neuropsychiatric and Behavioral Health Services does not include the newly revised Child Support Compliance Program and Contractor Responsibility and Debarment provisions, as these clauses are currently being discussed with their attorneys and will be amended in as soon as negotiations are concluded. In addition, the Out-of-State Child Placement Mental Health Services Agreement format is not required to include the following provisions--Child Support Compliance, Jury Service, and Safely Surrendered Baby Law--since the out-of-state contractors are located outside of Los Angeles County, and these provisions do not govern them. Also, none of the Board-mandated clauses are included in the Revenue Subcontract Agreement since DMH is the subcontractor.

The attachments, which correspond to each specific Agreement, provide the following information:

- 1) Pharmacy Agreements: Attachment A specifies the contractors, Supervisorial Districts, services provided, and Agreement terms; Attachment A-1 is the Pharmacy Agreement format; and Attachment A-2 details the Contracting with Minority/Women-Owned Firms Percentage of Ownership in firms contracting with the County.
- 2) CCRF Agreements: Attachment B specifies the contractors, Supervisorial Districts, services provided, and Agreement terms; Attachment B-1 is the CCRF Agreement format; and Attachment B-2 details the Contracting with Minority/Women-Owned Firms Percentage of Ownership.

- 3) Out-of-State Child Placement Mental Health Services Agreements: Attachment C specifies the contractors, services provided, and Agreement terms; Attachment C-1 is the Out-of-State Child Placement Mental Health Services Agreement format; and Attachment C-2 details the Contracting with Minority/Women-Owned Firms Percentage of Ownership.
- 4) Unique Agreements: Attachment D specifies the contractors, Supervisorial Districts, services provided, Agreement terms, and MCAs; Attachments D-1, D-1a, D-1b, D-1c, D-1d, and D-1e are the Unique Agreement formats; and Attachment D-2 details the Contracting with Minority/Women-Owned Firms Percentage of Ownership.
- 5) Consultant Services Agreements: Attachment E specifies the contractors, Supervisorial Districts, services provided, Agreement terms, and MCAs; Attachments E-1 and E-1a are the Consultant Services Agreement formats; and Attachment E-2 details the Contracting with Minority/Women-Owned Firms Percentage of Ownership.

CONTRACTING PROCESS

All of these 86 agreements have existing contracts with DMH, which will expire on June 30, 2004, and are being renewed because of the continuing need for their unique and specialized services throughout Los Angeles County.

Additionally, qualified contractors providing similar services have not been forthcoming to DMH. As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors' compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES

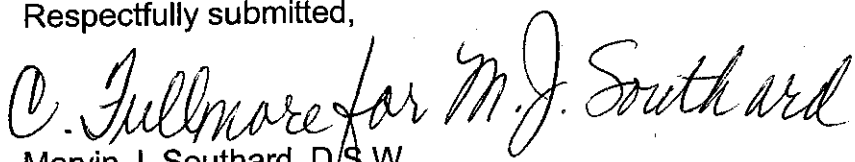

The renewal of these agreements will allow for the continued and uninterrupted mental health services to existing mental health clients residing throughout Los Angeles County and in other states. Without Board approval, various mental health services as specified in this Board Letter will no longer be available.

WHEREAS, the term "Director" as used herein refers to COUNTY's Director of Mental Health or his authorized designee; and

WHEREAS, the term "fiscal year" as used herein refers to COUNTY's fiscal year which commences July 1, and ends the following June 30:

NOW, THEREFORE, the parties hereto agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

(2) Second Automatic Renewal Period: If this Agreement is automatically renewed, the Second Automatic Renewal Period shall commence on July 1, 2004 and shall continue in full force and effect through June 30, 2005.

(4) Fourth Automatic Renewal Period: If this Agreement is automatically renewed, the Fourth Automatic Renewal Period shall commence on N/A and shall continue in full force and effect through N/A.

C. Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 45 (NOTICES).

Notwithstanding any other provision of this Paragraph, the failure of CONTRACTOR or its officers, agents, or employees to comply with the terms of this Agreement or any directions by or on behalf of COUNTY issued pursuant thereto shall constitute a material breach hereof and the Agreement may be terminated immediately. Failure to provide or bill for the provision of services to DMH clients for a period of twelve consecutive months will result in the automatic termination of this Agreement. COUNTY's failure to exercise this right of termination shall not constitute waiver of such right, which may be exercised at any subsequent time.

2. DESCRIPTIONS OF SERVICES:

A. Properly valid licensed pharmacists employed by CONTRACTOR shall prepare and dispense drugs and medications to such County patients in accordance with accepted pharmaceutical standards prevailing in the community.

B. CONTRACTOR shall dispense medications and drugs pursuant to this Agreement only to those persons who present a valid Department of Mental Health (DMH) Prescription Authorization Tracking System (PATS) card. The Contract pharmacies shall maintain an adequate inventory of the DMH formulary medications necessary to fill these prescriptions. If CONTRACTOR is out of stock, or does not have enough medication for a full prescription, it will do one of the following:

- (1) Order necessary medication and have in stock within 24 hours (unless weekend or holiday).
- (2) Give patient note or indicate on prescription label amount of medication owed (short).
- (3) Return prescriptions to the PATS system and allow consumer to go to another contract Pharmacy.

C. Nothing in this Agreement shall be construed as excusing either party from the duty of reasonable inspection and inquiry in regard to any drugs and medication used in the performance of this Agreement.

3. PAYMENTS:

A. COUNTY shall reimburse CONTRACTOR at the rate of .85 of the Average Wholesale Price (AWP), plus three dollars and thirty-five cents (\$3.35) professional fee, for each prescription dispensed pursuant to this Agreement from medications supplied from the CONTRACTOR's own stock. Pharmacies shall use only generic medications that are "A" or "AB" rated in the Federal Drug Administration's APPROVED DRUG PRODUCT WITH THERAPEUTIC EQUIVALENTS manual also known as the "Orange Book".

Definition of "Prescription" for this Agreement is the printed form that is generated from Los Angeles COUNTY Department of Mental Health (LACDMH) Prescription Authorization Tracking System, (PATS), or from any other electronic prescription system DMH may use in the future as authorized by the Director of Pharmacy Services. LACDMH will be financially liable only for the

prescriptions generated from these electronic systems. The current authorized system is the PATS system. Prior authorization needed for reimbursement for non-PATS prescriptions (manual paper prescriptions) must be obtained from the Director of Pharmacy Services, LACDMH.

At the first of each month, the COUNTY will mail to each CONTRACTOR a PATS statement, which lists by date all the prescriptions dispensed by the CONTRACTOR for DMH consumers and the reimbursement due. Any discrepancies found in this statement must be brought to the COUNTY's attention for correction within 90 days of statement date. Within a reasonable period of time, the County shall make payment in accordance with the rate of reimbursement.

LACDMH is the payor of last resort. If the consumer has other health insurance, it is to be billed first (e.g. Medi-Cal, Medi-Cal HMO). (LACDMH is only responsible for consumers who have no health insurance. If the consumer has health insurance (e.g. Medi-Cal, Medi-Cal HMO) or any other third party payer, they must be billed for the pharmacy services, NOT LACDMH.)

B. Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

4. NOTICE OF DELAYS: Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Agreement, that party shall, within three (3) working days, give written notice thereof, including all relevant information with respect thereto, to the other party.

5. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair,

graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 5.

6. LIMITATION OF COUNTY'S OBLIGATION DUE TO NONAPPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during this or any of COUNTY'S future fiscal years unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. Should COUNTY, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in Paragraph 3 (PAYMENT) of this Agreement, COUNTY shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such change in allocation of funds at the earliest possible date.

7. ADMINISTRATION: COUNTY's Director of Mental Health (hereinafter referred to as "Director") shall have the authority to administer the Agreement on behalf of COUNTY.

8. PRIOR AGREEMENT(S) SUPERSEDED: Reference is made to that (those) certain document(s) entitled:

<u>TITLE</u>	<u>COUNTY AGREEMENT NUMBER</u>	<u>DATE OF EXECUTION</u>
_____	_____	_____
_____	_____	_____

The parties hereto agree that the provision of said prior Agreement(s) shall be entirely superseded as of date of execution by COUNTY's Board of Supervisors by the provision of this Agreement.

9. SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

10. WAIVER: No waiver by COUNTY of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of COUNTY to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 10 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

11. INDEMNIFICATION AND INSURANCE:

I. Indemnification: Contractor shall indemnify, defend and hold harmless County, and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

II. General Insurance requirements: Without limiting CONTRACTOR's indemnification of COUNTY and during the term of this Agreement, CONTRACTOR shall provide and maintain, and shall require all of its sub-contractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

A. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to County's Department of Mental Health, Contracts Development and Administration Division, Attn: Chief, 550 S. Vermont, Los Angeles, 90020, prior to commencing services under this Agreement. Such certificates or other evidence shall:

- (1) Specifically identify this Agreement.

(5) Identify any deductibles or self-insured retentions for County's approval. The County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

B. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

C. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of the contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

D. Notification of Incidents, Claims or Suits: Contractor shall report to County:

(1) any accident or incident relating to services performed under this Agreement which involves injury or property damage which may

result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

(2) any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(3) any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to the County contract manager.

(4) any loss, disappearance, destruction, misuse or theft of any kind whatsoever of County property, monies or securities entrusted to Contractor under the terms of this Agreement.

F. Insurance Coverage Requirements for Sub-contractors: Contractor shall ensure any and all sub-contractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(1) Contractor providing evidence of insurance covering the activities of sub-contractors, or

(2) Contractor providing evidence submitted by sub-contractors evidencing that sub-contractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of sub-contractor insurance coverage at any time.

III. Insurance Coverage Requirements:

A. General Liability: insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:

C. Workers Compensation and Employers' Liability: insurance providing workers compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act or any other federal law for which Contractor is responsible.

For the purpose of this Paragraph 12, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is different, or is provided in a different manner or at a different time, from that provided to others; subjecting any person to segregation or separate treatment in any matter related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirement or condition which persons must meet in order to be provided any service or benefit. E. If COUNTY finds that any of the above provisions have been violated, the same shall constitute a material breach of this Agreement upon which COUNTY may immediately terminate or suspend this Agreement. While COUNTY reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Opportunity Commission that CONTRACTOR has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by COUNTY that CONTRACTOR has violated the anti-discrimination provisions of this Agreement.

F. In the event that CONTRACTOR violates any of the anti-discrimination provisions of this Agreement, COUNTY shall be entitled, at its option, to the sum of FIVE HUNDRED DOLLARS (\$500.00) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this agreement.

16. CONFIDENTIALITY: CONTRACTOR shall maintain the confidentiality of all records and information including but not limited to claims, County records, patient/client records and information, and MIS records in accordance with Welfare and Institutions Code Sections 5328 through 5330, inclusive, and all other applicable County, State and Federal Laws, Ordinances, Rules, Regulations, Manuals, Guidelines, and Directives relative to confidentiality. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all loss, damage, and liability, expense, and legal fees arising from any disclosure of such records and information by Contractor, its officers, employees or agents.

17. REPORTS: CONTRACTOR shall make reports as required by Director or his authorized designee, concerning CONTRACTOR's activities as they affect the contract duties and purposes contained herein. CONTRACTOR shall allow DMH or any other authorized COUNTY, State or Federal agency or any duly authorized representative thereof to access, examine, audit, excerpt, copy or transcribe any pertinent transaction, or other records relating to this Agreement during the term of this Agreement and for a period of five (5) years after the end of its term.

In the event that an audit is conducted of Contractor by any Federal or State Auditor, or by any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of such audit report(s) with County Auditor-Controller, within 30 days of receipt thereof unless otherwise provided under this Agreement, or under applicable State regulations. County shall maintain confidentiality of such audit report(s). Failure of Contractor to comply with these terms shall constitute a material breach of this Agreement upon which County may cancel, terminate, or suspend this Agreement.

19. RULES AND REGULATIONS: During the time that Contractor's employees are providing services under the terms of this Agreement, such employees shall be subject to the rules and regulations of the California State Board of Pharmacy. It is the responsibility of Contractor to acquaint its employees who are to provide services hereunder with such rules and regulations. Contractor agrees to permanently withdraw any of its employees from the provision of services under this Agreement upon receipt of written notice from Director or his authorized designee (1) that such employee has violated such rules or regulations, or (2) that such employee's action, while providing services hereunder to County patients, indicate that he may do harm to County patients.

22. CHANGE OF OWNERSHIP: Sale or change of business operations of said Facility shall constitute termination of this Agreement upon thirty (30) days advance notification.

23. ALTERATION OF TERMS: This Agreement fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Agreement. No addition to, or alteration of, the term of this Agreement, whether by written or verbal understanding of the parties, their officers, agents, or employees, shall be valid unless made in the form of written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

24. CONFLICT OF INTEREST:

A. No COUNTY employee whose position in COUNTY enables such employee to influence the award or administration of this Agreement or any competing Agreement, and no spouse or economic dependent of such employee shall be employed in any capacity by CONTRACTOR or have any other direct or indirect financial interest in this Agreement. No officer or employee of CONTRACTOR who may financially benefit from the provision of services hereunder shall in any way participate in COUNTY's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence COUNTY's approval or ongoing evaluation of such services.

B. CONTRACTOR shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. CONTRACTOR warrants that it is not now aware of any facts which create a conflict of interest. If CONTRACTOR hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to COUNTY. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

25. TERMINATION FOR CONVENIENCE: Any of the parties to this Agreement may terminate services by written notice to the other party, which termination shall become effective thirty (30) days from the date of the written notice. Any party providing such termination shall not be liable or responsible for any liability, monetary or otherwise, resulting from any termination, in whole or in part, of that party's involvement in this Agreement. Termination shall be final and shall release the party from any further responsibility to provide service under the terms and conditions of this Agreement.

26. TERMINATION FOR DEFAULT:

A. COUNTY may, by written notice of default to CONTRACTOR, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of COUNTY, CONTRACTOR fails to perform any services within the times specified in this Agreement or any extension thereof as COUNTY may authorize in writing; or

(2) If, as determined in the sole judgment of COUNTY, CONTRACTOR fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as COUNTY may authorize in writing) after receipt of notice from COUNTY specifying such failure.

B. In the event that COUNTY terminates this Agreement as provided in Subparagraph A, COUNTY may procure, upon such terms and in such manner as COUNTY may deem appropriate, services similar to those so terminated, and CONTRACTOR shall be liable to COUNTY for any reasonable excess costs incurred by COUNTY, as determined by COUNTY, for such similar services.

C. The rights and remedies of COUNTY provided in this Paragraph 26 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

27. TERMINATION FOR IMPROPER CONSIDERATION: COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of CONTRACTOR to proceed under this Agreement if it is found that consideration, in any form, was offered or given by CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the CONTRACTOR's performance pursuant to the Agreement. In the event of such termination, COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper Consideration. The report shall be made either to the COUNTY manager charged with the supervision for the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

31. SUBCONTRACTING:

A. No performance of this Agreement, or any portion thereof, shall be subcontracted by CONTRACTOR without the prior written consent of COUNTY as provided in this Paragraph 31. Any attempt by CONTRACTOR to subcontract any performance, obligation, or responsibility under this Agreement, without the prior written consent of COUNTY, shall be null and void and shall constitute a material breach of this Agreement. Notwithstanding any other provision of this Agreement, in the event of any such breach by CONTRACTOR, this Agreement may be terminated forthwith by COUNTY. A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or

proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors of County Contractors.

39. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or

managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment C as part of its obligation under this Paragraph 39.

Failure by Contractor to meet the requirements of this Paragraph 39 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

40. WARRANTY: CONTRACTOR represents and warrants that its signatory to this Agreement is fully authorized to obligate the CONTRACTOR and that all acts necessary to the execution of this Agreement have been performed.

41. The Privacy Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

DEFINITIONS

1.4 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.5 "Services" has the same meaning as in the body of this Agreement.

1.6 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.7 Terms used, but not otherwise defined, in this Paragraph shall have the same meaning as those terms in the Privacy Regulations.

(a) shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;

(b) shall Disclose Protected Health Information to Covered Entity upon request;

Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

2.3 Reporting Non-Permitted Use or Disclosure. Business Associate shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees, representatives, agents or subcontractors that is not specifically permitted by this Agreement. 500 West Temple St.
Suite 493

2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph.

2.5. Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record

Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or subcontractors. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COUNTY

3.1 Obligation of County. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure are feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make

the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Regulations.

5.7 Additional Requirements. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's IS.

(a) County desires to clarify IS terminology under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(b) County desires to clarify other HIPAA-related changes set forth in the DMH Provider Manual and which are incorporated herein by reference as though fully set forth.

(i) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(ii) County has added to the DMH Provider Manual an Electronic Data Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant transactions and requirements for these transactions.

shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

42. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section

shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach."

43. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

** Funding for clients in these residential placements has been included in DMH's 2004-2005 Proposed Budget. DMH funds the Interim Funding (IF) Program through a revolving fund, which reimburses operators for a client's room and board and personal and incidental expenses, at the rate established by the California State Department of Social Services for board and care facilities, prior to the establishment of Supplemental Security Income (SSI) eligibility. Once a client's SSI application has been approved, retroactive SSI payments are used to reimburse this fund.

NOW, THEREFORE, the parties hereto agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

/

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service

plans, and proactively provide families with coordinated and comprehensive information, services, and resources.

- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of

how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

(3) Third Automatic Renewal Period: If this Agreement is automatically renewed, the Third Automatic Renewal Period shall commence on N/A and shall continue in full force and effect through N/A, at which time this Agreement expires.

C. Termination:

(1) Notwithstanding any other provision of this Paragraph, the failure of Contractor or its officers, agents, or employees to comply with the terms of this Agreement or any directions by or on behalf of County issued pursuant thereto shall constitute a material breach hereof and the Agreement may be terminated immediately.

(2) Failure to provide or bill for services to DMH clients for a period of twelve consecutive months will result in the automatic termination of this Agreement, which shall be effective upon written notice to Contractor by DMH. County's failure to exercise this right of termination shall not constitute waiver of such right, which may be exercised at any subsequent time.

(3) In the event of termination of the Interim Funding portion of this Agreement and upon receipt by Contractor of notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all clients treated under this Agreement to other agencies for continuing care in accordance with the clients' needs. Notwithstanding the foregoing, Contractor agrees that Interim Funding Services is not an entitlement program, and further agrees that only services provided for clients approved by Director or his authorized designee shall be reimbursed.

No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

4. LIMITATION OF COUNTY'S OBLIGATION DUE TO NONAPPROPRIATION OF FUNDS: Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any

and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby

incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

50. CAPTIONS AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

51. ENTIRE AGREEMENT: The body of this Agreement and Service Exhibit A, attached hereto and incorporated herein by reference; as approved in writing by Director, including any addenda thereto as approved in writing by Director, which are hereby incorporated herein by reference but not attached; shall constitute the complete and exclusive statement of understanding between the parties which supersedes all previous agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and then to such other documents according to the following priority:

Service Exhibit A: Mental Health 24-Hour Services Interim Placement Funding For Basic Care Services.

52. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of the Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon

which County may immediately terminate or suspend this Agreement.

53. AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

54. CONTRACTOR'S OBLIGATION AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement, Contractor (also Business Associate) provides services to County (also Covered Entity) and Business Associate receives, has access to or creates Protected Health Information in order to provide those services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations Parts 160 and 164 ("Privacy Regulations"). The Privacy Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.3 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by

Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity.

1.4 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.5 "Services" has the same meaning as in the body of this Agreement.

1.6 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.7 Terms used, but not otherwise defined, in this Paragraph 54 shall have the same meaning as those terms in the Privacy Regulations.

OBLIGATIONS OF BUSINESS ASSOCIATE

2.1 Permitted Uses and Disclosures of Protected Health Information. Business Associate:

- (a) shall Use and Disclose Protected Health Information as necessary to perform

the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;

(b) shall Disclose Protected Health Information to Covered Entity upon request;

(c) may, as necessary for the proper management and administration of its business or to carry out its legal responsibilities:

(i) Use Protected Health Information; and

(ii) Disclose Protected Health Information if the Disclosure is Required by Law.

Business Associate shall not Use or Disclose Protected Health Information for any other purpose.

2.2 Adequate Safeguards for Protected Health Information. Business Associate warrants that it shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Paragraph 54.

Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

2.3 Reporting Non-Permitted Use or Disclosure. Business Associate shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees, representatives, agents or subcontractors that is not specifically permitted by this Agreement. The initial report shall be made by telephone call to the Department of Mental Health's Chief Deputy Director, telephone number (213) 738-4108 within forty-eight (48) hours from the time the Business Associate becomes aware of the non-permitted Use or Disclosure, followed by a full written report no later than ten (10) business days from the date the Business Associate becomes aware of the non-permitted Use or Disclosure to the Chief Information Privacy Officer at:

/

/

Chief Information Privacy Officer
Kenneth Hahn Hall of Administration
500 West Temple St.
Suite 493
Los Angeles, CA 90012

2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph 54.

2.5. Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such

amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or subcontractors. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COUNTY

3.1 Obligation of County. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Paragraph 54 shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section

4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

- (a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;
- (b) Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or
- (c) If neither termination nor cure are feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such

Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Paragraph 54 shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph 54.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph 54 is contrary to another provision of this Agreement, the provision of this Paragraph 54 shall control. Otherwise, this Paragraph 54 shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Paragraph 54 to a section in the Privacy Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Paragraph 54 shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy Regulations.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph 55 from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Regulations."

55. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction

either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole

discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

58. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the

other party.

**OUT-OF-STATE CHILD PLACEMENT
MENTAL HEALTH SERVICES AGREEMENT**

This Agreement is made and entered into by and between COUNTY OF LOS ANGELES (hereafter referred to as "County"), and _____ (hereafter referred to as "Contractor").

WHEREAS, this Agreement is entered pursuant to Government Code 7576, Chapter 654, Statute of 1996, and Welfare and Institutions Code 300, Sections A through J.

WHEREAS, the purpose of this Agreement is to compensate Contractor for mental health services to the County of Los Angeles, Department of Mental Health (DMH). These services are provided to children who are emotionally disturbed and have been assessed by DMH and have been determined to require residential placement and mental health services.

WHEREAS, the following term, as used in this Agreement shall have the following meaning:
'Director" means County's Director of Mental Health or the authorized designee.

NOW, THEREFORE; the parties agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.

- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

23.2.1 Contractor shall assure that any person who enters into employment as a care custodian of minor children, or who enters into employment as a health or other practitioner, prior to commencing employment, and as a prerequisite to that employment, shall sign a statement on a form provided by Contractor in accordance with the above laws to the effect that such person has knowledge of, and will comply with, these code sections.

23.2.2 Although clerical and other non-treatment staff may not be required to report suspected cases of abuse, they should consult with mandated reporters upon suspecting any abuse.

23.2.3 For the safety and welfare of minor children, Contractor shall, to the maximum extent permitted by law, ascertain arrest and conviction records for all current and prospective employees and shall not employ or continue to employ any person convicted of any crime involving any harm to minor children.

23.2.4 Contractor shall not employ or continue to employ, or shall take other appropriate action to fully protect all persons receiving services under this Agreement concerning, any person whom Contractor knows, or reasonably suspects, has committed any acts which are inimical to the health, morals, welfare, or safety of minor children, or which otherwise make it inappropriate for such person to be employed by Contractor.

24.0 NON-DISCRIMINATION IN SERVICES: Contractor shall not discriminate in the provision of services hereunder because of race, religion, national origin, ancestry, sex, age, marital status, or

physical or mental handicap, in accordance with requirements of Federal and State law. For the purpose of this Paragraph 24.0, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is different, or is provided in a different manner or at a different time, from that provided to others; subjecting any person to segregation or separate treatment in any matter related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirement or condition which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Agreement are provided services without regard to race, religion, national origin, ancestry, sex, age, marital status, or physical or mental handicap.

24.1 Contractor shall establish and maintain written complaint procedures under which any person applying for or receiving any services under this Agreement may seek resolution from Contractor of a complaint with respect to any alleged discrimination in the rendering of services by Contractor's personnel. Such procedures shall also include a provision whereby any such person, who is dissatisfied with Contractor's resolution of the matter, shall be referred by Contractor to Director for the purpose of presenting his complaint of the alleged discrimination. Such complaint procedures shall also indicate that if such person is not satisfied with County's resolution or decision with respect to the complaint of alleged discrimination, such person may appeal the matter to the State, if appropriate.

24.2 Contractor shall have admission policies specifying non-discrimination in writing and available to the public. Contractor shall not employ discriminatory practices in the admission of any person, assignment of accommodations, or otherwise. Any time any person applies for services under this Agreement, such person shall be advised by

Contractor of the complaint procedures described in the above paragraph. A copy of such complaint procedures shall be posted by Contractor in a conspicuous place, available and open to the public, in each of Contractor's facilities where services are provided under this Agreement.

25.0 FAIR LABOR STANDARDS: Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for services performed by Contractor's employees for which County may be found jointly or solely liable.

26.0 CONFLICT OF INTEREST:

26.1 No County employee whose position in County enables such employee to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in any way participate in County's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such services.

26.2 Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without

limitation, identification of all persons implicated and complete description of all relevant circumstances.

27.0 INDEPENDENT STATUS OF CONTRACTOR:

- 27.1 This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 27.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 27.3 Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be solely liable and responsible for furnishing any and all workers' compensation benefits to any person as a result of any injuries arising from or connected with any services performed by or on behalf of Contractor pursuant to this Agreement.
- 27.4 Contractor shall obtain and maintain on file an executed Contractor Employee Acknowledgment of Employer form (Exhibit C attached hereto and incorporated herein by reference) for each of its employees performing services under this Agreement. Such Acknowledgments shall be executed by each such employee on or immediately after the commencement date of this Agreement but in no event later than the date such employee first performs services under this Agreement.

28.0 COMPLIANCE WITH APPLICABLE LAW:

28.1 Contractor shall comply with all Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

28.2 Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

29.0 THIRD PARTY BENEFICIARIES: Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

30.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES:

Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, accreditations, and certificates, as required by all Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, and directives, which are applicable to Contractor's facility (ies) and services under this Agreement. Contractor shall further ensure that all of its officers, employees, and agents, who perform services hereunder, shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations, and certificates which are applicable to their performance hereunder. A copy of each such license, permit, registration, accreditation, and certificate as required by all applicable Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines and directives shall be provided, in duplicate, to DMH's Contracts Development and Administration Division.

31.0 TERMINATION FOR INSOLVENCY:

31.1 County may terminate this Agreement immediately in the event of the occurrence of any of the following:

31.1.1 Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code.

31.1.2 The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code.

31.1.3 The appointment of a Receiver or Trustee for Contractor.

31.2 The rights and remedies of County provided in this Paragraph 32 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

32.0 TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

33.0 SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

34.0 CAPTIONS AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

35.0 ENTIRE AGREEMENT: The body of this Agreement; Exhibit A - General Mental Health Services Exhibit, Exhibit B - Contractor Employee Acknowledgement of Employer form , and Exhibit C - Subcontractor Employee Acknowledgement of Employer form, attached hereto and incorporated herein by reference; shall constitute the complete and exclusive statement of understanding between the parties which supersedes all previous agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and then to such other documents according to the following priority:

Exhibit A - General Mental Health Services Exhibit.

Exhibit B - Contractor Employee Acknowledgement of Employer.

Exhibit C - Subcontractor Employee Acknowledgement of Employer.

36.0 WAIVER: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 36 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

37.0 EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing services hereunder meet the citizenship or alien status requirements set forth in Federal statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless County, its officers and employees from and against any employer sanctions and any other liability which may be assessed against Contractor or County in connection with any alleged violation of any Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Agreement.

38.0 AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

39.0 CERTIFICATION OF DRUG-FREE WORK PLACE: Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo

contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing.

40.0 COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

41.0 RESTRICTIONS ON LOBBYING: If any Federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

42.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this agreement or impose other penalties as specified in this agreement.

43.0 MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local

laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 47.

44.0 NOTICE TO EMPLOYEES REGRADING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

45.0. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates

a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors of County Contractors.

46.0 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED

PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more

staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit D as part of its obligation under this Paragraph 46.

Failure by Contractor to meet the requirements of this Paragraph 46 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

47.0 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ('HIPAA'). Contractor understands and agrees that it is a 'Covered Entity' under HIPAA and, as such, has obligations with respect to the confidentiality, privacy and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, and the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to Transactions and Code Sets, Privacy, and Security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf.

Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA Law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees, and agents), for its failure to comply with HIPAA."

8 **PREAMBLE**

9 For nearly a decade, the County has collaborated with its community partners to enhance the
10 capacity of the health and human services system to improve the lives of children and families.
11 These efforts require, as a fundamental expectation, that the County's contracting partners share the
12 County and community's commitment to provide health and human services that support
13 achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is
14 the integration of service delivery systems and the adoption of the Customer Service and
15 Satisfaction Standards.

16 The County of Los Angeles' Vision is to improve the quality of life in the County by providing
17 responsive, efficient, and high quality public services that promote the self-sufficiency, well-being
18 and prosperity of individuals, families, business and communities. This philosophy of teamwork and
19 collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

20
21 These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service
22 Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5)
23 Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8)
24 Public Safety. Improving the well-being of children and families requires coordination, collaboration,
25 and integration of services across functional and jurisdictional boundaries, by and between County

1 departments/agencies, and community and contracting partners.

2 The basic conditions that represent the well-being we seek for all children and families in Los
3 Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors
4 in January 1993.

- 5 • Good Health;
- 6 • Economic Well-Being;
- 7 • Safety and Survival;
- 8 • Emotional and Social Well-Being; and
- 9 • Education and Workforce Readiness.

10
11 Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-
12 being for children and families, consensus has emerged among County and community leaders that
13 making substantial improvements in integrating the County's health and human services system is
14 necessary to significantly move toward achieving these outcomes. The County has also established
15 the following values and goals for guiding this effort to integrate the health and human services
16 delivery system:

- 17 ✓ Families are treated with respect in every encounter they have with the health,
18 educational, and social services systems.
- 19 ✓ Families can easily access a broad range of services to address their needs, build on their
20 strengths, and achieve their goals.
- 21 ✓ There is no "wrong door": wherever a family enters the system is the right place.
- 22 ✓ Families receive services tailored to their unique situations and needs.
- 23 ✓ Service providers and advocates involve families in the process of determining service
24 plans, and proactively provide families with coordinated and comprehensive information,
25 services, and resources.
- 26 ✓ The County service system is flexible, able to respond to service demands for both the
27 Countywide population and specific population groups.
- 28 ✓ The County service system acts to strengthen communities, recognizing that just as
29 individuals live in families, families live in communities.
- 30 ✓ In supporting families and communities, County agencies work seamlessly with public and
31 private service providers, community-based organizations, and other community partners.
- 32 ✓ County agencies and their partners work together seamlessly to demonstrate substantial
33 progress towards making the system more strength-based, family-focused, culturally-

competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

1 Personal Service Delivery

2 The service delivery team – staff and volunteers – will treat customers and each other with
3 courtesy, dignity, and respect.

- 4 • Introduce themselves by name
5 • Listen carefully and patiently to customers
6 • Be responsive to cultural and linguistic needs
7 • Explain procedures clearly
8 • Build on the strengths of families and communities
9

10 Service Access

11 Service providers will work proactively to facilitate customer access to services.

14 • Outreach to the community and promote available services
15 • Involve families in service plan development
16 • Follow-up to ensure appropriate delivery of services
17

19 Service providers will deliver services in a clean, safe, and welcoming environment, which
20 supports the effective delivery of services.

24 • Provide a clean and comfortable waiting area
25 • Ensure privacy

27

28 The basis for all County health and human services contracts is the provision of the highest
29 level of quality services that support improved outcomes for children and families. The County and
30 its contracting partners must work together and share a commitment to achieve a common vision,
31 goals, outcomes, and standards for providing services.

1 G. Billing Procedures As Conditions Precedent To Contractor's Eligibility For

5 (2) whether the Psychiatric Inpatient Hospital Services for which claim is made are covered, in whole
6 or in part, under any other State or Federal medical care program or under any other contractual or
7 legal entitlement, including, but not limited to, any private group indemnification or insurance
8 program or workers' compensation, and (3) whether the Clients for whom claim is made have any
9 Medi-Cal Share of Cost for the particular Psychiatric Inpatient Hospital Services. Notwithstanding
10 any other provision of this Agreement, to the extent that any such third party coverage and/or Medi-
11 Cal Share of Cost is available, Contractor's reimbursement shall be reduced.

12 (2) As a further express condition precedent to Contractor's eligibility for
13 reimbursement under this Agreement, Contractor shall submit claims on the prescribed form(s) and
14 with the appropriate allowable psychiatric accommodation codes to DMH for reimbursement for all
15 Psychiatric Inpatient Hospital Services rendered to Clients, either directly or through subcontractors
16 as permitted under this Agreement, in accordance with all applicable requirements.

17 (3) Contractor shall claim a day of service of Acute Psychiatric Inpatient Hospital
18 Services for each Client who occupies an inpatient psychiatric bed at 12:00 midnight in Contractor's
19 facility(ies), based on the particular services provided at that time. Contractor shall claim a day of
20 service for the Client for the day of admission and not the day of discharge; however, a day of
21 service may be claimed if the Client is admitted and discharged during the same day, provided that
22 such admission and discharge is not within twenty-four hours of a prior discharge.

23 H. Payment: Contractor shall submit to County, claims in the form and content
24 specified by County. Each claim shall be submitted within fourteen days of the Client's discharge
25 date. Contractor's claims to County shall be separately itemized by Client.

26 On the basis of the claims and after Director's review and approval of the claims,
27 Contractor shall receive from County payment less all revenues equal to the claims submitted and

1 approved for that month in accordance with County policies and procedures.

2 If a claim is not submitted as required by County, then payment may be withheld by
3 County.

4 I. Withholding of Payment For Nonsubmission of MIS and Other Information: County
5 may withhold a maximum of ten percent of any monthly claim, if any MIS data, or other information
6 is not submitted by Contractor to County within the time limits of submission of this Agreement or if
7 any MIS data, or other information is incomplete, incorrect, or is not completed in accordance with
8 the requirements of this Agreement.

9 J. Annual Cost Reports:

10 (1) For each Fiscal Year or portion thereof that this Agreement is in effect,
11 Contractor shall provide DMH with one copy of an accurate and complete Annual Cost Report in
12 accordance with written guidelines provided to Contractor by Director.

13 (2) Within ten days after written notification by County to Contractor of any
14 overpayment due by Contractor to County, Contractor shall notify County as to which of the
15 following two payment options Contractor requests be used as the method by which such amount
16 shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by
17 Contractor to County or (2) paid by cash payment(s) by Contractor to County over a period not to
18 exceed such sixty days. If Contractor does not so notify County within such ten days or if
19 Contractor fails to make payment of any such amount to County as required, then the total amount,
20 as determined by Director, shall be immediately due and payable.

21 K. County Audit Settlements: If, at any time during the term of this Agreement or at
22 any time after the expiration or termination of this Agreement, authorized representatives of County
23 conduct an audit or review regarding the Psychiatric Inpatient Hospital Services provided hereunder
24 and if such audit or review finds that the dollar liability of County and/or Federal governments for
25 such services is less than the payments made by County to Contractor, then the difference shall be
26 due by Contractor to County. Within thirty days after written notification by County to Contractor
27 of any such difference due by Contractor to County, Contractor shall pay County by one cash

1 payment.

2 L. Interest Charges on Delinquent Payments: If Contractor, without good cause as
3 determined in the sole judgment of Director, fails to pay County any amount due to County under
4 this Agreement within sixty days after the due date, as determined by Director, then Director, in her
5 sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to
6 County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount
7 due commencing on the sixty-first day after the due date. The interest charges shall be paid by
8 Contractor to County by cash payment upon demand.

9 M. Limitation of County's Obligation Due to Nonappropriation of Funds:
10 Notwithstanding any other provision of this Agreement, County shall not be obligated for
11 Contractor's performance hereunder or by any provision of this Agreement during this or any of
12 County's future fiscal years unless and until County's Board of Supervisors appropriates funds for
13 this Agreement in County's Budget for each such fiscal year. Should County, during this or any
14 subsequent fiscal year impose budgetary restrictions which appropriate less than the amount
15 provided for in Subparagraph B (Reimbursement For Initial Period) and Subparagraph C
16 (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce
17 services under this Agreement consistent with such imposed budgetary reductions. In the event
18 funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of
19 the last fiscal year for which funds were appropriated. County shall notify Contractor of any such
20 changes in allocation of funds at the earliest possible date.

21 N. Contractor Requested Changes: If Contractor desires any change in the provisions of
22 this Agreement, Contractor shall request in writing such change within the term of this Agreement.

23 O. Delegated Authority: Notwithstanding any other provision of this Agreement,
24 County's Department of Mental Health Director may, without further action by County's Board of
25 Supervisors, prepare and sign amendments to this Agreement during the remaining term of this
26 Agreement, under the following conditions:

27 (1) County's total payments to Contractor under this Agreement, for each Fiscal

Year of the term of this Agreement, shall not exceed or shall not be reduced by more than ten percent of the applicable Maximum Contract Amount; and

(2) Any such increase shall only be used for additional services or to reflect program and/or policy changes that affect this Agreement; and

(3) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Agreement; and

(4) Approval of County Counsel and the Chief Administrative Officer is obtained prior to any such amendment to this Agreement; and

(5) County's Department of Mental Health Director shall notify County's Board of Supervisors and Chief Administrative Officer of all Agreement changes, in writing, within fifteen days following execution of any such amendment(s).

5. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:

Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

6. PRIOR AGREEMENT(S) SUPERSEDED:

A. Reference is made to the certain document(s) entitled:

TITLE	COUNTY AGREEMENT NUMBER	DATE OF EXECUTION

1 The parties agree that the provisions of such prior Agreement(s), and all Amendments thereto, shall
2 be entirely superseded as of _____, 200_, by the provisions of this Agreement.

16 anti-discrimination provisions of this Agreement have been violated, in addition, a determination by
17 the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity

3 whatsoever.

Further, County approval of any subcontract shall not be construed to limit in any way any of County's rights or remedies contained in this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute

1 the determination of the allowability or appropriateness of any cost or payment under this
2 Agreement.

3 D. In the event that County consents to any subcontracting, such consent shall apply to
4 each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph
5 25 or a blanket consent to any further subcontracting.

6 E. County shall have no liability or responsibility whatsoever for any payment or other
7 compensation for any subcontractor or its officers, employees, and agents.

8 F. Director is hereby authorized to act for and on behalf of County pursuant to this

21 Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set
22 forth in Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance
23 Program) shall constitute default under this Agreement. Without limiting the rights and remedies
24 available to County under any other provision of this Agreement, failure of Contractor to cure such
25 default within 90 calendar days of written notice shall be grounds upon which County may terminate
26 this Agreement pursuant to Paragraph 31 (TERMINATION FOR DEFAULT) and pursue debarment of
27 Contractor, pursuant to County Code Chapter 2.202.

1 34. SEVERABILITY: If any provision of this Agreement or the application thereof to any person

25 Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are
26 inconsistent with the terms of the Ordinance.

27 A. A responsible Contractor is a Contractor who has demonstrated the attribute of

1 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
2 contract. It is the County's policy to conduct business only with responsible contractors.

3 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the
4 County Code, if the County acquires information concerning the performance of the Contractor on
5 this or other Agreements which indicates that the Contractor is not responsible, the County may, in
6 addition to other remedies provided in the Agreement, debar the Contractor from bidding or
7 proposing on, or being awarded, and/or performing work on County Agreements for a specified
8 period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor
9 may have with the County.

10 C. The County may debar a Contractor if the Board of Supervisors finds, in its
11 discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement
12 with the County or a nonprofit corporation created by the County, (2) committed an act or omission
13 which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with
14 the County, any other public entity, or a nonprofit corporation created by the County, or engaged in
15 a pattern or practice which negatively reflects on same, (3) committed an act or offense which
16 indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim
17 against the County or any other public entity.

20 will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing
21 Board.

22 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed
23 debarment is presented. The Contractor and/or the Contractor's representative shall be given an
24 opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall
25 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the
26 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The
27 Contractor and the Department shall be provided an opportunity to object to the tentative proposed

1 decision prior to its presentation to the Board of Supervisors.

4 shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to
5 modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

6 G. These terms shall also apply to subcontractors of County Contractors.

7 51. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

8 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from
9 providing services under any health care program funded by the Federal government, directly or
10 indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days
11 in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion
12 from participation in a Federally funded health care program; and (2) any exclusionary action taken
13 by any agency of the Federal government against Contractor or one or more staff members barring it
14 or the staff members from participation in a Federally funded health care program, whether such bar
15 is direct or indirect, or whether such bar is in whole or in part.

16 There are a variety of different reasons why an individual or entity may be excluded from
17 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and
18 in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

19 The mandatory bases for exclusion include: (1) felony convictions for program related
20 crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled
21 substances, or (2) convictions related to patient abuse.

22 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or
23 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to
24 provide access to documents or premises as required by federal health care program officials; (4)
25 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information
26 about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state
27 license to practice a health care profession; (7) default on a student loan given in connection with

1 education in a health profession; (8) charging excessive amounts to a Federally funded health care
2 program or furnishing services of poor quality or which are substantially in excess of the needs of
3 the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or
4 managing excluded entities who knew of the conduct leading to the exclusion can themselves be
5 excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

6 Contractor shall indemnify and hold County harmless against any and all loss or damage
7 County may suffer arising from any Federal exclusion of Contractor or its staff members from such
8 participation in a Federally funded health care program. Contractor shall provide the certification set
9 forth in Exhibit E as part of its obligation under this Paragraph 51.

10 Failure by Contractor to meet the requirements of this Paragraph 51 shall constitute a
11 material breach of Agreement upon which County may immediately terminate or suspend this
12 Agreement."

13 Failure by Contractor to meet the requirements of this Paragraph shall constitute a material
14 breach of contract upon which County may immediately terminate or suspend this Agreement.

15 52. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

16 A. The parties acknowledge the existence of the Health Insurance Portability and
17 Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and
18 agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the
19 confidentiality, privacy, and security of patients' medical information, and must take certain steps to
20 preserve the confidentiality of this information, both internally and externally, including the training
21 of staff and the establishment of proper procedures for the release of such information, including the
22 use of appropriate consents and authorizations specified under HIPAA.

23 B. The parties acknowledge their separate and independent obligations with respect to
24 HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*.
25 Contractor understands and agrees that it is separately and independently responsible for compliance
26 with HIPAA in all these areas and that County has not undertaken any responsibility for compliance
27 on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal

1 advice or other representations with respect to Contractor's obligations under HIPAA, but will
2 independently seek its own counsel and take the necessary measures to comply with the law and its
3 implementing regulations.

4 C. Contractor and County understand and agree that each is independently responsible
5 for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the
6 requirements of HIPAA law and implementing regulations related to Transactions and Code Sets,
7 Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party
8 (including their officers, employees and agents) for its failure to comply with HIPAA.

9 D. Contractor and County understand and agree that HIPAA has imposed additional
10 requirements in regards to changes in DMH's IS.

11 (1) County desires to clarify IS terminology under this Agreement as it relates to
12 HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of
13 technical terms, definitions and language to be used with this Agreement.

14 (2) County desires to clarify other HIPAA-related changes set forth in the DMH
15 Provider Manual and which are incorporated herein by reference as though fully set forth.

16 (a) County has added to the DMH Provider Manual a Guide to Procedure
17 Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology
18 (CPT) and Health Care Procedure Coding System (HCPCS) codes.

19 (b) County has added to the DMH Provider Manual an Electronic Data
20 Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which
21 includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant
22 transactions and requirements for these transactions.

23 (c) County has added to the DMH Provider Manual a Trading Partner
24 Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s)
25 to submit HIPAA-compliant transactions on behalf of Contractor.

26 E. Contractor understands that County operates an informational website
27 www.dmh.co.la.ca.us related to the services under this Agreement and the parties' HIPAA

1 obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates,
2 other information, and forms to assist Contractor in its performance.

3 F. Contractor understands and agrees that if it uses the services of an Agent in any
4 capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or
5 perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or
6 omissions of the Agent in providing said services as though they were the Contractor's own acts,
7 failures, or omissions.

8 G. Contractor further understands and agrees that the terms and conditions of the
9 current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this
10 Agreement and that said Terms and Conditions are incorporated by reference as though fully set
11 forth herein.

12 53. COMPLIANCE WITH JURY SERVICE PROGRAM:

13 A. Jury Service Program: This Agreement is subject to the provisions of the County's
14 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections
15 2.203.010 through 2.203.090 of the Los Angeles County Code.

16 B. Written Employee Jury Service Policy:

17 (1) Unless Contractor has demonstrated to the County's satisfaction either that
18 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of
19 the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section
20 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides
21 that its Employees shall receive from the Contractor, on an annual basis, no less than five days of
22 regular pay for actual jury service. The policy may provide that Employees deposit any fees received
23 for such jury service with the Contractor or that the Contractor deduct from the Employee's regular
24 pay the fees received for jury service.

25 (2) For purposes of this Section, "Contractor" means a person, partnership,
26 corporation or other entity which has an Agreement with the County or a subcontract with a County
27 Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month

1 period under one or more County Agreements or subcontracts. "Employee" means any California
2 resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per
3 week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as
4 determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number
5 of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less
6 within a 12-month period are not considered full-time for purposes of the Jury Service Program. If
7 Contractor uses any subcontractor to perform services for the County under the Agreement, the
8 subcontractor shall also be subject to the provisions of this Section. The provisions of this Section
9 shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be
10 attached to the Agreement.

11 (3) If Contractor is not required to comply with the Jury Service Program when
12 the Agreement commences, Contractor shall have a continuing obligation to review the applicability of
13 its "exception status" from the Jury Service Program, and Contractor shall immediately notify County
14 if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if
15 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall
16 immediately implement a written policy consistent with the Jury Service Program. The County may
17 also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate
18 to the County's satisfaction that Contractor either continues to remain outside of the Jury Service
19 Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the
20 Program.

21 Contractor's violation of this section of the Agreement may constitute a material breach of the
22 Agreement. In the event of such material breach, County may, in its sole discretion, terminate the
23 Agreement and/or bar Contractor from the award of future County Agreements for a period of time
24 consistent with the seriousness of the breach."

25 54. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The
26 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify
27 and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its

1 implementation in Los Angeles County, and where and how to safely surrender a baby. The fact
2 sheet is set forth in **Attachment VII** of this Agreement and is also available on the Internet at
3 www.babysafela.org for printing purposes.

4 55. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY
5 SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on
6 the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the
7 County's policy to encourage all County Contractors to voluntarily post the County's "Safely
8 Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The
9 Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position
10 in the subcontractor's place of business. The County's Department of Children and Family Services
11 will supply the Contractor with the poster to be used.

12 56. NOTICES: All notices or demands required or permitted to be given under this Agreement
13 shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered
14 or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the
15 attention of the persons named. Director shall have the authority to execute all notices or demands

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the

privacy rights of families.

- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. SERVICES PROVIDED: CONTRACTOR shall provide students to COUNTY for training purposes as set forth in Exhibit A (STATEMENT OF WORK), which is attached hereto and incorporated by reference.

2. TERM:

A. The term of this Agreement shall commence on July 1, 2004 and shall continue in full force and effect through June 30, 2005. B. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. This provision shall survive the expiration or other termination of this Contract.

C. Notwithstanding any other provision of this Agreement, the failure of CONTRACTOR to comply with the terms of this Agreement or any directions by or on behalf of COUNTY issued pursuant thereto, may constitute a material breach thereof, thereby justifying immediate termination or suspension of this Agreement.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with the County.

Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material

breach of contract upon which County may immediately terminate or suspend this Agreement.

16. REPORTING RESPONSIBILITY AND USE OF COUNTY RESOURCES:

A. COUNTY'S PROJECT MANAGER: CONTRACTOR shall report to COUNTY's Project Manager who shall be responsible for coordination of all administrative and contractual matters relating to this Agreement, the approval of all invoices submitted hereunder by CONTRACTOR, and final acceptance of all documentation and work.

Upon advance approval of the COUNTY Project Manager, COUNTY may provide CONTRACTOR with reasonable use of certain COUNTY resources, such as reasonable clerical support and use of COUNTY facilities, as determined by the COUNTY Project Manager, who shall be the sole judge of the reasonableness and extent of any such use. The use or non-use of COUNTY resources by CONTRACTOR shall not relieve CONTRACTOR of its responsibility to provide services and complete all work under this Agreement in a manner satisfactory to COUNTY, and shall not affect CONTRACTOR's status as an independent contractor.

COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH
FISCAL INTERMEDIARY AGREEMENT FOR ACADEMIC TRAINING

EXHIBIT A

STATEMENT OF WORK

I. Objective:

To establish a fiscal intermediary for academic training between the California State University, Long Beach Foundation, hereinafter called the "CSULB Foundation," and the County of Los Angeles Department of Mental Health, hereinafter called "DMH." The CSULB Foundation will be responsible for dispersing funds provided under this Agreement to the student interns to be identified by DMH Student Professional Development Program Coordinator. As consideration for its services as a fiscal intermediary, the CSULB Foundation will receive a 10% administrative overhead cost annually. CSULB Foundation agrees to use all funds provided hereunder, less allowable overhead cost reimbursement, for stipends that will be specifically provided to interns in DMH's Student Professional Development Program. During the Academic Year, interns shall be paid in semi-annual installments of ½ of approved stipend amount to maximize the time spent in placement and minimize funds that may be forfeited. During the Summer Block Program, interns shall be paid a one lump sum.

II. DMH's Responsibilities:

DMH will be responsible for dispersing funds to CSULB Foundation for purposes specified in this Statement of Work. DMH will provide CSULB Foundation with the information needed to disperse funds to students according to disbursement schedule indicated in Section IV of this Statement of Work.

III. Contractor's Responsibilities:

CSULB Foundation will be responsible for dispersing funds to the student interns identified by the DMH Student Professional Development Program Coordinator. CSULB Foundation shall adhere to the following stipend disbursement schedule for all interns.

IV. Intern Stipend Disbursement Schedule:

Academic Year: Fall – December 15th
 Spring – May 15th

Summer Block: June 30th

Interns who are placed in internships during Academic Year will be paid ½ of approved stipend amount in two installments. Notwithstanding the above, the Summer Block interns (June through August) will be paid their approved stipend amount in a lump sum on June 30 of each year.

If a student fails to fulfill his/her placement agreement between his/her respective University and DMH after CSULB Foundation has paid the student intern a portion of the stipend, DMH shall forfeit those funds, and the student shall be permitted to keep those funds.

It is expected that CSULB Foundation will receive the following funds from DMH:

For Academic Years 2004-2005, 2005-2006, and 2006-2007, \$200,000 will be allocated per each Academic Year. The purpose of this allocation to the Student Professional Development Program is the training of a maximum of 22 student interns per fiscal year.

22 student interns will be funded at \$8,000 = \$176,000

Administrative Overhead @ 10% = \$ 17,600

Unanticipated costs = \$ 6,400

TOTAL = **\$200,000**

No shame. No blame. No names.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

- Compassion
- Respect for Diversity

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on

their strengths, and achieve their goals.

- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of

results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

PERSONAL SERVICE DELIVERY

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Service Exhibit B as part of its obligation under this Paragraph 20.

The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, " Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole

discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for period of time consistent with the seriousness of the breach.

23. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. 24. **CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:** The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

1 NOW, THEREFORE, Contractor and County agree as follows:

2 PREAMBLE

3 For nearly a decade, the County has collaborated with its community partners to enhance the
4 capacity of the health and human services system to improve the lives of children and families. These
5 efforts require, as a fundamental expectation, that the County's contracting partners share the County
6 and community's commitment to provide health and human services that support achievement of the
7 County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service
8 delivery systems and the adoption of the Customer Service and Satisfaction Standards.

9 The County of Los Angeles' Vision is to improve the quality of life in the County by providing
10 responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and
11 prosperity of individuals, families, business and communities. This philosophy of teamwork and
12 collaboration is anchored in the shared values of:

- 13
- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |
- 14
15

16 These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service
17 Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5)
18 Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public
19 Safety. Improving the well-being of children and families requires coordination, collaboration, and
20 integration of services across functional and jurisdictional boundaries, by and between County
21 departments/agencies, and community and contracting partners.

22 The basic conditions that represent the well-being we seek for all children and families in Los
23 Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in
24 January 1993.

- 25 • Good Health;
26 • Economic Well-Being;

- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service

1 plan, staff development opportunities, infrastructure enhancements, customer service and
2 satisfaction evaluation, and revenue maximization.

3 ✓ County agencies and their partners create incentives to reinforce the direction toward service
4 integration and a seamless service delivery system.

5 ✓ The County human service system embraces a commitment to the disciplined pursuit of
6 results accountability across systems. Specifically, any strategy designed to improve the
7 County human services system for children and families should ultimately be judged by
8 whether it helps achieve the County's five outcomes for children and families: good health,
9 safety and survival, economic well-being, social and emotional well-being, and education and
10 workforce readiness.

11
12 The County, its clients, contracting partners, and the community are working together to
13 develop practical ways to make County services more accessible, customer friendly, better
14 integrated, and outcome-focused. Several departments have identified shared themes in their
15 strategic plans for achieving these goals including: making an effort to become more
16 consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and
17 integrity; and using a strengths-based and multi-disciplinary team approach. County departments are
18 also working to provide the Board of Supervisors and the community with a better understanding of
19 how resources are being utilized, how well services are being provided, and what are the results of
20 the services: is anyone better off?

21 The County of Los Angeles health and human service departments and their partners are
22 working together to achieve the following *Customer Service And Satisfaction Standards* in support of
23 improving outcomes for children and families.

24 *Personal Service Delivery*

25 The service delivery team – staff and volunteers – will treat customers and each other with
26 courtesy, dignity, and respect.

- 27 • Introduce themselves by name
28 • Listen carefully and patiently to customers
29 • Be responsive to cultural and linguistic needs
30 • Explain procedures clearly
31 • Build on the strengths of families and communities

1 Service Access

2 Service providers will work proactively to facilitate customer access to services.

- 3 • Provide services as promptly as possible
4 • Provide clear directions and service information
5 • Outreach to the community and promote available services
6 • Involve families in service plan development
7 • Follow-up to ensure appropriate delivery of services

8
9 Service Environment

10 Service providers will deliver services in a clean, safe, and welcoming environment, which
11 supports the effective delivery of services.

- 12 • Ensure a safe environment
13 • Ensure a professional atmosphere
14 • Display vision, mission, and values statements
15 • Provide a clean and comfortable waiting area
16 • Ensure privacy
17 • Post complaint and appeals procedures

18
19 The basis for all County health and human services contracts is the provision of the highest
20 level of quality services that support improved outcomes for children and families. The County and its
21 contracting partners must work together and share a commitment to achieve a common vision, goals,
22 outcomes, and standards for providing services.

1 Contractor shall have no claim against County for payment of any money or reimbursement,
2 of any kind whatsoever, for any service provided by Contractor after the expiration or other
3 termination of this Contract. Should Contractor receive any such payment it shall immediately notify
4 County and shall immediately repay all such funds to County. Payment by County for services
5 rendered after expiration/termination of this Contract shall not constitute a waiver of County's right
6 to recover such payment from Contractor. This provision shall survive the expiration or other
7 termination of this Contract.

8 6. RECORDS AND AUDITS:

9 A. Contractor shall maintain accurate and complete financial records of its operations as
10 they relate to the services provided under this Agreement in accordance with generally accepted
11 accounting principles. Contractor shall also maintain accurate and complete records of all services
12 provided by all professional and other personnel and other records of all services provided hereunder
13 in sufficient detail to permit an evaluation and audit of the services provided under this Agreement.
14 All such records shall be maintained by Contractor at a location in Los Angeles County during the
15 term of this Agreement and for five years thereafter. During such retention period, all such records
16 shall be made available during County's normal business hours to representatives of County, State
17 and/or Federal governments for purposes of inspection, program review, and/or audit. In the event
18 any records are located outside Los Angeles County, then Contractor shall pay County for all travel,
19 per diem, and other costs incurred by County for any inspection or audit at such other location.

20 B. In the event that any audit of any or all aspects of this Agreement is conducted of
21 Contractor by any Federal or State auditor, or by any auditor or accountant employed by Contractor
22 or otherwise, then Contractor shall file a copy of such audit report(s) with DMH's Contracts
23 Development and Administration Division within thirty days of Contractor's receipt thereof, unless
24 otherwise provided by applicable Federal or State law or under this Agreement.

25 C. Failure on the part of Contractor to comply with any of the terms of this Paragraph 6
26 shall constitute a material breach of this Agreement upon which County may terminate or suspend

1 this Agreement.

2 7. COUNTY AUDIT SETTLEMENTS: If, at any time during the term of this Agreement or at any
3 time after the expiration or termination of this Agreement, authorized representatives of County
4 conduct an audit of Contractor regarding the services provided hereunder and if such audit finds that
5 County's dollar liability for such services is less than payments made by County to Contractor, then,
6 the difference shall be: (1) repaid by Contractor to County by cash payment upon demand and/or
7 (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor,
8 whether under this Agreement or otherwise. If such audit finds that County's dollar liability for
9 services provided hereunder is more than payments made by County to Contractor, then the
10 difference shall be paid to Contractor by County by cash payment, provided that in no event shall
11 County's Maximum Contract Amount, as set forth in Paragraph 4 (REIMBURSEMENT), be exceeded.

12 8. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of the
13 Social Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees
14 that for a period of four years following the furnishing of services under this Agreement, Contractor
15 shall maintain and make available, upon written request, to the Secretary of the United States
16 Department of Health and Human Services or the Controller General of the United States, or to any
17 of their duly authorized representatives, the contracts, books, documents and records of Contractor
18 which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore,
19 if Contractor carries out any of the services provided hereunder through any subcontract with a
20 value or cost of TEN THOUSAND DOLLARS (\$10,000) or more over a twelve-month period with a
21 related organization (as that term is defined under Federal law), Contractor agrees that each such
22 subcontract shall provide for such access to the subcontract, books, documents and records of the
23 subcontractor.

24 9. REPORTS:

25 A. Contractor shall make reports as required by Director or State regarding Contractor's
26 activities and operation as they relate to Contractor's performance of this Agreement. In no event

1 may County require such reports unless it has provided Contractor with at least thirty days' prior
2 written notification. County shall provide Contractor with a written explanation of the procedures
3 for reporting the required information.

4 B. Income Tax Withholding:

5 (1) If Contractor has not had a DMH contract in effect for at least the last three
6 consecutive years, Contractor shall submit to DMH's Contracts Development and Administration
7 Division the following reports showing timely payment of employees' Federal and State income tax
8 withholding. Further, Contractor shall provide these reports to DMH whenever requested by
9 Director. These reports shall include, but are not limited to:

10 (a) Within ten days of filing with the Federal or State government, a
11 copy of Contractor's Federal and State quarterly income tax withholding returns (i.e., Federal Form
12 941 and/or State Form DE-3 or their equivalents).

13 (b) Within ten days of each payment, a copy of a receipt for, or other
14 proof of payment of, each employee's Federal and State income tax withholding, whether such
15 payments are made on a monthly or quarterly basis.

16 (2) Required submission of above quarterly and monthly reports by Contractor
17 may be waived or discontinued by Director in writing based on Contractor's demonstration of prompt
18 and appropriate payment of all its obligations. This Subparagraph B shall not apply to governmental
19 agencies.

20 10. NOTICE OF DELAYS: Whenever County or Contractor has knowledge that any actual or
21 potential situation is delaying or threatens to delay the timely performance of this Agreement, such
22 party shall, within three business days, give notice thereof, including all relevant information with
23 respect thereto, to the other party.

24 11. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records and
25 information, including, but not limited to, billings, County records, patient/client records and
26 information, and MIS records, in accordance with WIC Sections 5328 through 5330, inclusive, and

1 all other applicable County, State, and Federal laws, ordinances, rules, regulations, manuals,
2 guidelines, and directives, relating to confidentiality. Contractor shall require all its officers,
3 employees, and agents providing any services hereunder to acknowledge, in writing, understanding
4 of, and agreement to fully comply with, all such confidentiality provisions. Contractor shall
5 indemnify and hold harmless County, its officers, employees, and agents, from and against any and
6 all loss, damage, liability, and expense arising from any disclosure of such records and information
7 by Contractor, its officers, employees, or agents.

8 12. NONDISCRIMINATION IN EMPLOYMENT:

9 A. Contractor certifies and agrees that all persons employed by it, its affiliates,
10 subsidiaries, or holding companies are and will be treated equally by it without regard to, or because
11 of, race, religion, national origin, ancestry, sex, age, marital status, physical handicap, or political
12 affiliation, and in compliance with all applicable Federal and State anti-discrimination laws and
13 regulations.

14 B. Contractor shall take affirmative action to ensure that qualified applicants are
15 employed, and that employees are treated during employment, without regard to race, religion,
16 national origin, ancestry, sex, age, marital status, physical handicap, or political affiliation. Such
17 action shall include, but is not limited to, the following: employment, upgrading, demotion, transfer,
18 recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of

21 because of race, religion, ancestry, national origin, sex, age, marital status, physical handicap, or
22 political affiliation.

23 D. Contractor shall allow County representatives access to its employment records
24 during regular business hours to verify compliance with the provisions of this Paragraph 12 when so
25 requested by Director.

26 E. If County finds that any of the above provisions has been violated, the same shall

1 constitute a material breach of this Agreement upon which County may immediately terminate or
2 suspend this Agreement. While County reserves the right to determine independently that the
3 anti-discrimination provisions of this Agreement have been violated, in addition, a determination by
4 the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity
5 Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall
6 constitute a finding by County that Contractor has violated the anti-discrimination provisions of this
7 Agreement.

8 F. In the event that Contractor violates any of the anti-discrimination provisions of this
9 Paragraph 12, County shall be entitled, at its option, to the sum of FIVE HUNDRED DOLLARS

22 connected with claims and lawsuits for damages or workers' compensation benefits relating to
23 Contractor's operations or its services, which result from bodily injury, death, personal injury, or
24 property damage (including damage to Contractor's property). Contractor shall not be obligated to
25 indemnify for liability and expense arising from the active negligence of the County.

26 B. Insurance: Without limiting Contractor's indemnification of County and during the term

1 of this Agreement, Contractor shall provide and maintain at its own expense the following programs of

7 express conditions that County is to be given written notice by registered mail at least thirty (30) days

10 breach of contract upon which County may immediately terminate or suspend this Agreement.

12 as an additional insured and shall include, but not be limited to:

13 (a) General Liability: General liability insurance written on a commercial

12 agency has been employed or retained to solicit or secure this Agreement upon any agreement or
13 understanding for any commission, percentage, brokerage, or contingent fee, excepting bona fide
14 employees or bona fide established commercial or selling agencies maintained by Contractor for the
15 purpose of securing business. For Contractor's breach or violation of this warranty, County may, in

19 the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County
20 Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are
21 inconsistent with the terms of the Ordinance.

22 A. A responsible Contractor is a Contractor who has demonstrated the attribute of
23 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
24 contract. It is the County's policy to conduct business only with responsible contractors.

25 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the
26 County Code, if the County acquires information concerning the performance of the Contractor on

1 this or other Agreements which indicates that the Contractor is not responsible, the County may, in
2 addition to other remedies provided in the Agreement, debar the Contractor from bidding or
3 proposing on, or being awarded, and/or performing work on County Agreements for a specified
4 period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor

10 the County, any other public entity, or a nonprofit corporation created by the County, or engaged in
11 a pattern or practice which negatively reflects on same, (3) committed an act or offense which

16 will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing
17 Board.

18 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed
19 debarment is presented. The Contractor and/or the Contractor's representative shall be given an
20 opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall
21 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the
22 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The

6 excluded from providing services under any health care program funded by the Federal government,
7 directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar
8 days in writing of: (1) any event that would require Contractor or a staff member's mandatory
9 exclusion from participation in a Federally funded health care program; and (2) any exclusionary
10 action taken by any agency of the Federal government against Contractor or one or more staff
11 members barring it or the staff members from participation in a Federally funded health care
12 program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

13 There are a variety of different reasons why an individual or entity may be excluded from
14 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in
15 other cases the Office of Inspector General (OIG) has the discretion not to exclude.

16 The mandatory bases for exclusion include: (1) felony convictions for program related crimes,
17 including fraud or false claims, or for offenses related to the dispensing or use of controlled substances,
18 or (2) convictions related to patient abuse.

19 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or
20 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to
21 provide access to documents or premises as required by federal health care program officials; (4)
22 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about
23 the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to
24 practice a health care profession; (7) default on a student loan given in connection with education in a
25 health profession; (8) charging excessive amounts to a Federally funded health care program or
26 furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9)

1 paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded
2 entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities
3 which are owned and controlled by excluded individuals can also be excluded.

4 Contractor shall indemnify and hold County harmless against any and all loss or damage
5 County may suffer arising from any Federal exclusion of Contractor or its staff members from such
6 participation in a Federally funded health care program. Contractor shall provide the certification set
7 forth in Exhibit F as part of its obligation under this Paragraph 49.

8 Failure by Contractor to meet the requirements of this Paragraph 49 shall constitute a
9 material breach of Agreement upon which County may immediately terminate or suspend this
10 Agreement.

11 50. CONTRACTOR'S OBLIGATION AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH
12 INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement,
13 Contractor (also Business Associate) provides services to County (also Covered Entity) and Business
14 Associate receives, has access to or creates Protected Health Information in order to provide those
15 services. Covered Entity is subject to the Administrative Simplification requirements of the Health
16 Insurance Portability and Accountability Act of 1996, and regulations promulgated thereunder,
17 including the Standards for Privacy of Individually Identifiable Health Information at 45 Code of
18 Federal Regulations Parts 160 and 164 ("Privacy Regulations"). The Privacy Regulations require
19 Covered Entity to enter into a contract with Business Associate in order to mandate certain
20 protections for the privacy and security of Protected Health Information, and those Regulations
21 prohibit the disclosure to or use of Protected Health Information by Business Associate if such a
22 contract is not in place.

23 Therefore, the parties agree as follows:

24 DEFINITIONS

25 1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release,

8 that (i) relates to the past, present or future physical or mental health or condition of an Individual;
9 the provision of health care to an Individual, or the past, present or future payment for the provision
10 of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis
11 for believing that the information can be used to identify the Individual); and (iii) is received by
12 Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is
13 made accessible to Business Associate by Covered Entity.

14 1.4 "Required By Law" means a mandate contained in law that compels an entity to make a Use
15 or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by
16 law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons
17 issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body
18 authorized to require the production of information; a civil or an authorized investigative demand;
19 Medicare conditions of participation with respect to health care providers participating in the
20 program; and statutes or regulations that require the production of information, including statutes or
21 regulations that require such information if payment is sought under a government program providing
22 benefits.

23 1.5 "Services" has the same meaning as in the body of this Agreement.

24 1.6 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing,
25 employment, application, utilization, examination or analysis of such Information within Business
26 Associate's internal operations.

1 1.7 Terms used, but not otherwise defined, in this Paragraph shall have the same meaning as

Business Associate shall make such amendment within ten

1 (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet
2 the requirements under 45 C.F.R. § 164.526.

3 2.8 Accounting of Disclosures. Upon Covered Entity's request, Business Associate shall provide
4 to Covered Entity an accounting of each Disclosure of Protected Health Information made by
5 Business Associate or its employees, agents, representatives or subcontractors. However, Business
6 Associate is not required to provide an accounting of Disclosures that are necessary to perform the
7 Services because such Disclosures are for either payment or health care operations purposes, or
8 both.

9 Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the
10 date of the Disclosure; (b) the name, and address if known, of the entity or person who received the

13 accounting under this Section 2.8, Business Associate shall document the information specified in
14 (a) through (d), above, and shall securely maintain the information for six (6) years from the date of
15 the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days
16 after receipt of request from Covered Entity, information collected in accordance with this Section
17 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of
18 disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

22 Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its
23 own uses and disclosures accordingly.

24 **TERM AND TERMINATION**

25 4.1 Term. The term of this Paragraph shall be the same as the term of this Agreement.
26 Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5,
27 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

2 forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business
3 Associate, Covered Entity shall either:

10 the Secretary of the federal Department of Health and Human Services.

11 4.3 Disposition of Protected Health Information Upon Termination or Expiration.

12 (a) Except as provided in paragraph (b) of this section, upon termination for any reason

23 the return or destruction infeasible, for so long as Business Associate maintains such Protected
24 Health Information.

25 **MISCELLANEOUS**

4 subcontractors that receive Protected Health Information from Business Associate, or create
5 Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a
6 written agreement obligating the agent or subcontractor to comply with all the terms of this
7 Paragraph.

8 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this
9 Paragraph is contrary to another provision of this Agreement, the provision of this Paragraph shall
10 control. Otherwise, this Paragraph shall be construed under, and in accordance with, the terms of
11 this Agreement.

12 5.4 Regulatory References. A reference in this Paragraph to a section in the Privacy Regulations

2 and Health Care Procedure Coding System (HCPCS) codes.

14 5.9 Data Transmission. Contractor understands and agrees that if it uses the services of an
15 Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data
16 Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any
17 acts, failures or omissions of the Agent in providing said services as though they were the
18 Contractor's own acts, failures, or omissions.

19 5.10 Trading Partner Agreement. Contractor further understands and agrees that the terms and
20 conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual
21 shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as

23 51. COMPLIANCE WITH JURY SERVICE PROGRAM:

24 A. Jury Service Program: This Agreement is subject to the provisions of the County's
25 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections
26 2.203.010 through 2.203.090 of the Los Angeles County Code.

1 B. Written Employee Jury Service Policy:

2 (1) Unless Contractor has demonstrated to the County's satisfaction either that
3 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of
4 the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section
5 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides
6 that its Employees shall receive from the Contractor, on an annual basis, no less than five days of
7 regular pay for actual jury service. The policy may provide that Employees deposit any fees received
8 for such jury service with the Contractor or that the Contractor deduct from the Employee's regular
9 pay the fees received for jury service.

10 (2) For purposes of this Section, "Contractor" means a person, partnership,
11 corporation or other entity which has an Agreement with the County or a subcontract with a County
12 Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month
13 period under one or more County Agreements or subcontracts. "Employee" means any California
14 resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per
15 week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as
16 determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number
17 of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less
18 within a 12-month period are not considered full-time for purposes of the Jury Service Program. If
19 Contractor uses any subcontractor to perform services for the County under the Agreement, the
20 subcontractor shall also be subject to the provisions of this Section. The provisions of this Section
21 shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be
22 attached to the Agreement.

23 (3) If Contractor is not required to comply with the Jury Service Program when the
24 Agreement commences, Contractor shall have a continuing obligation to review the applicability of its
25 "exception status" from the Jury Service Program, and Contractor shall immediately notify County if
26 Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if

1 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall
2 immediately implement a written policy consistent with the Jury Service Program. The County may
3 also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate
4 to the County's satisfaction that Contractor either continues to remain outside of the Jury Service
5 Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the
6 Program.

7 Contractor's violation of this section of the Agreement may constitute a material breach of the
8 Agreement. In the event of such material breach, County may, in its sole discretion, terminate the
9 Agreement and/or bar Contractor from the award of future County Agreements for a period of time
10 consistent with the seriousness of the breach.

11 52. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The
12 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and
13 provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in
14 Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in

8

9 I. **ADULTS :**

10
11 i) **BACKGROUND**
12

13 Supplemental Social Security Income (SSI) advocacy is the key
14 to helping people with mental disabilities stabilize. For people
15 who cannot work due to a disability, SSI and General Relief (GR)
16 are the only sources of income available. Because GR payments are
17 only \$____per month and are not sufficient to pay for housing, SSI
18 is needed to move these people off the streets and through the
19 continuum of care into permanent housing. Without SSI income, a
20 person may cycle through the network of emergency shelters and
21 transitional housing repeatedly but never obtain permanent
22 housing. Medi-Cal coverage, which is automatically provided to
23 SSI recipients, is also crucial for this population, especially
24 people with mental disabilities. Through Medi-Cal, disabled
25 individuals are able to access essential health and mental health
26 services. Without these services, many people with mental
27 disabilities are at high risk for failed placements in
28 transitional housing and are likely to require numerous
29 hospitalizations and other costly acute treatment. Unfortunately,
30 applying for SSI is a long, difficult process, especially for
31 people with mental disabilities, and there are many possible
32 complications which can lead to denial of benefits. Experienced,
33 knowledgeable advocates are needed to assist the mentally disabled
34 in obtaining SSI and to help them prevent disruption in their
35 payments after they have been approved.
36

37 Mental Health Advocacy Services, Inc. (MHAS) will assist
38 severely and persistently mentally ill adults referred by the
39 Department of Mental Health (DMH) to apply for and maintain the
40 SSI/Medi-Cal benefits to which they are eligible. Individuals
41 within this group would be least likely to successfully apply for
42 SSI without the intensive assistance of this project.
43

44 This program is a continuation of MHAS' Homeless SSI Outreach
45 Project, which had been funded through the Los Angeles Homeless
46 Services Authority with a HUD Homeless Initiative grant since
47 1995. Since the DMH began referring clients to MHAS in December,
48 1995, MHAS has assisted _____ DMH clients to-date. Approximately
49 95 percent of the Medi-Cal/SSI applications that have been
50 adjudicated have been approved. This approval rate is

1 significantly higher than the Medi-Cal approval rate of the DMH
2 clients prior to the start of the MHAS' program.

3
4 ii) OBJECTIVES

5
6 The objectives of the Program are to:

7
8 A. Obtain referrals and information from DMH to assist
9 clients with mental disabilities in applying for Medi-
10 Cal/SSI.

11
12 B. Provide Medi-Cal/SSI Advocacy Services to ___ DMH adult
13 and transitional age youth, approaching age 18.
14

15
16 iii) TARGET POPULATION

17
18 The targeted group will be severely and persistently mentally ill
19 adults.
20

21
22 iv) PROGRAM DESCRIPTION

23
24 MHAS will assist DMH clients to obtain and maintain Medi-
25 Cal/SSI benefits. MHAS will utilize the unique methodology it has
26 developed in the past two years which has proven to be highly
27 effective in obtaining Medi-Cal/SSI benefits for people with
28 mental disabilities. The program will assist up to ___ DMH
29 clients per year. Based on the success of MHAS' current project,
30 it is projected that 90% of the clients assisted will obtain Medi-
31 Cal/SSI benefits.
32

33 To obtain Medi-Cal/SSI benefits for clients, MHAS advocates
34 will file federal application for Medi-Cal and SSI benefits. By
35 utilizing the federal application for categorically linked
36 benefits, clients will gain long-term access to Medi-Cal benefits
37 and maintain their Medi-Cal for as long as they continue to
38 receive SSI benefits. The federal Medi-Cal/SSI application will
39 be used because, unlike the State Medi-Cal application, it
40 eliminates the need to re-apply for Medi-Cal each year and allows
41 clients to gradually re-enter the workplace without immediately
42 losing their Medi-Cal coverage.
43

44 v) SCOPE OF WORK

45
46 A. Responsibilities of County

47
48 DMH has agreed to utilize the resources of Mental
49 Health Advocacy Services (MHAS) for filing Medi-
50 Cal/SSI applications, reconsiderations or both. DMH
51 will also utilize MHAS as a resource for SSI hearings

1 for those cases in which MHAS files the initial
2 application.
3
4

- 5 1. Department of Mental Health Centers (hereafter
6 referred to as "Centers") will refer persons who
7 have not been able to work for the last 12 months
8 and are not expected to be able to work for at
9 least the next 12 months; have unearned income
10 below \$____.00/month; are citizens or qualifying
11 legal residents and have been with DMH for at
12 least six (6) months. For clients that have been
13 with DMH for less than 6 months, exceptions might
14 be made, at MHAS' discretion and in discussion
15 with the clinician, if there is prior medical
16 evidence.
17
- 18 2. With the consent of the client, a referral should
19 be made by the case manager or person who has the
20 most contact with the client by telephone to MHAS.
21
- 22 3. Centers will be responsible for completing the
23 Mental Evaluation by the date requested. The
24 evaluation must be signed by a psychiatrist or
25 licensed psychologist and sent to MHAS.
26
- 27 4. Centers will prepare an invoice in the amount of
28 \$____ for the evaluation and bill up to \$____ only
29 for copies according to the County established
30 rate per page for copies of medical records to the
31 State Department of Social Services, Disability
32 Evaluation Division, which should be attached to
33 each evaluation or medical records package.
34

35 B. Responsibilities of Contractor
36

37 For each client referred to MHAS, specific activities
38 will include the following:
39

- 40 1. arranging an appointment for MHAS to visit the
41 referring center to interview the client;
42
- 43 2. screening the potential Medi-Cal beneficiary for
44 eligibility;
45
- 46 3. completing the Medi-Cal/SSI application packet;
47
- 48 4. collecting all mental health records and other
49 medical records to support the application;
50
- 51 5. arranging additional mental health status

- examinations and other medical testing as necessary to prove medical eligibility;
6. collecting the necessary documentation to prove financial eligibility;
7. filing the application or reconsideration packet with the Social Security Administration (SSA);
8. contacting the appropriate State Disability Evaluation Division (DED) analyst to monitor the processing of the application;
9. assisting the client in keeping required appointments with the local SSA office and replying to any additional SSA or DED inquiries;
10. representing the client in SSI hearings for those cases in which MHAS files the initial application;
11. completing monthly statistics by center for submission to the Department.
12. providing the centers with a copy of the SSI approval letter to facilitate Medi-Cal billing.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

THIS AGREEMENT is made and entered into this _____ day of _____, 200__, by and between the
COUNTY OF LOS ANGELES (hereafter "County") and

(hereafter "Contractor")

Business Address:

WHEREAS, County finds it necessary to provide eligible beneficiaries in Los Angeles County with a continuum of professional services authorized by the California Welfare and Institutions Code Section 5775 et seq.; and

WHEREAS, County has determined that it has an insufficient workforce to perform these services; and

WHEREAS, County is authorized to contract with providers for culturally sensitive and linguistically appropriate professional services for beneficiaries who are in need of specialty mental health services pursuant to California Welfare and Institutions Code Section 5775 et seq.; and

WHEREAS, County desires to contract with an independent Contractor for the purpose of providing Medi-Cal reimbursable professional services to beneficiaries of Los Angeles County pursuant to Government Code Section 31000; and

WHEREAS, Contractor has the expertise and requisite licensure to practice as a mental health professional and is qualified to provide the desired professional services for County in accordance with the terms, conditions, and all applicable Federal, State and local laws, ordinances, rules, regulations, manuals, guidelines and directives.

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.

- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

SERVICE ENVIRONMENT

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Reimbursement at rates listed in the LMHP Provider Manual or the LMHP Provider Bulletins shall be payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary.

Contractor shall be solely liable and responsible for the accuracy and veracity of all data and information provided by Contractor to County for submission to the State in support of all claims for Early and Periodic Screening, Diagnosis and Treatment Program (EPSDT) Title XIX Medi-Cal services, and/or Title XIX

C. Time Limit for Submitting Invoices: Contractor shall submit a Fee-For-Service Claims Form for services to County for payment in accordance with the provisions specified in the LMHP Provider Manual. County shall not be obligated to reimburse Contractor for the services covered by any claim if Contractor submits the claim to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier. Additionally, County shall not be obligated to reimburse Contractor where the claim does not meet applicable SD/MC requirements.

Contractor is solely responsible for all corrections and for timely return of denied or rejected claim(s) for reimbursement and for providing adequate justification for such claim(s). Should the same claim(s) be denied or rejected a second time for the same reason(s), Contractor agrees to offset liquidated damages of \$1 for each and every resubmitted claim that LMHP determines was denied or rejected twice for the same reason. Contractor will not be charged the \$1 liquidated damages due to County's errors.

This provision shall survive the expiration or other termination of this Contract.

32. CERTIFICATION OF DRUG-FREE WORKPLACE: Contractor certifies and agrees that it shall comply with the requirements of the Drug-Free Workplace Act of 1990 (Government Code Section 8350 et seq.). Contractor

and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing. Violation of this provision shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

33. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property.

34. RESTRICTIONS ON LOBBYING: If any Federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

35. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

36. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment III as part of its obligation under this Paragraph 36.

Failure by Contractor to meet the requirements of this Paragraph 36 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

37. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a "covered entity" under HIPAA, and as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and Code Set, Privacy, and Security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA Law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's Integrated System (IS).

(1) County desires to clarify IS terminology under this Agreement as it relates to HIPAA, and accordingly, has set forth in Attachment IV (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the LMHP Provider Manual and which are incorporated herein by reference as though fully set forth.

(a) County has added to the LMHP Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the LMHP Provider Manual an Electronic Data Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant transactions and requirements for these transactions.

(c) County has added to the LMHP Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website www.dmh.co.la.ca.us related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the LMHP Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

38. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code), or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide

that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with County Contractor and has received or will receive an aggregate sum of \$50,000 or more in an 12-month period under one or more County Agreements or subcontracts. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

39. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment V of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes."

40. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used."

41. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement, which may include, but not be limited to, changes in name or address, which are required or permitted by County under this Agreement. WHEREAS, the following terms, as used in this Agreement, shall have the following meanings:

- A. "Day(s)" means calendar day(s) unless otherwise specified;
- B. "Director" means County's Director of Mental Health or her authorized designee;

1. TERM:

A. Initial Period: The Initial Period of this Agreement shall commence on July 1, 2004 and shall continue in full force and effect through June 30, 2005.

1 B. Automatic Renewal Period(s): After the Initial Period, this Agreement shall be
2 automatically renewed without further action by the parties hereto unless either party desires to
3 terminate this Agreement at the end of the Initial Period and gives written notice to the other party not
4 less than thirty days prior to the end of the Initial Period.

5 (1) First Automatic Renewal Period: If this Agreement is automatically renewed,
6 the First Automatic Renewal Period shall commence on July 1, 2005 and shall continue in full force
7 and effect through June 30, 2006.

8 (2) Second Automatic Renewal Period: If this Agreement is automatically
9 renewed, the Second Automatic Renewal Period shall commence on July 1, 2006 and shall continue in
10 full force and effect through June 30, 2007.

11 C. Six Months Notification of Agreement Expiration: Contractor shall notify County when
12 this Agreement is within six (6) months of expiration. Contractor shall send such notice to those
13 persons and addresses which are set forth in Paragraph 54 (NOTICES).

14 2. ADMINISTRATION: Director shall have the authority to administer this Agreement on behalf
15 of County. Contractor shall designate in writing a Contract Manager who shall function as liaison
16 with County regarding Contractor's performance hereunder.

17 3. DESCRIPTION OF SERVICES: Contractor shall provide technical housing development
18 consultation services as set forth in Exhibit A (Preamble) and Exhibit B (Description of Services).

19 4. REIMBURSEMENT:

20 A. County shall reimburse Contractor for all technical housing development consultation
21 services described in Exhibit B at the flat rate of XX/100
22 DOLLARS (\$.00) per hour, or a lesser amount of such hourly rate as is billed by
23 Contractor pursuant to Paragraph 5 (Payment). This hourly rate shall be paid for housing
24 development consultants, architects, engineers, building inspectors, and other expert personnel who
25 are employed by or are subcontractors of Contractor and who perform services as described in
26 Exhibit B.

27 B. The Maximum Contract Amount for this Agreement shall not exceed _____
28 _____ DOLLARS (\$_____) for each fiscal year. In no
29 event shall County pay Contractor more than this Maximum Contract Amount for Contractor's
30 performance hereunder, nor shall Contractor's total billings exceed this amount. Furthermore,
31 Contractor shall inform County when up to seventy-five percent (75%) of the Maximum Contract
32 Amount has been incurred. Contractor shall send such notice to those persons and addresses which
33 are set forth in Paragraph 54 (NOTICES).

34 /

1 5. PAYMENT: County shall pay Contractor on an hourly rate basis, monthly in arrears, for
2 technical housing development consultation services hereunder. The maximum hourly rate of
3 reimbursement to Contractor is described in Paragraph 4 (REIMBURSEMENT). Contractor shall
4 submit for payment a monthly billing to County and payment shall be subject to the following:

5 A. Each billing shall be submitted to DMH, Homeless and Housing Services Division,
6 550 South Vermont Avenue, Los Angeles, California 90020.

7 B. Total billings shall not exceed _____ DOLLARS
8 (\$_____) for each fiscal year.

9 C. Each billing shall be submitted with a complete and detailed description of each
10 specific service billed, the number of hours worked, the identity and professional classification of the
11 person(s) rendering this service, and any other information requested by DMH.

12 D. Contractor shall submit all payment documents described or referred to in this
13 Agreement on or before _____.

14 E. If billings are not submitted as required by County, then payment shall be withheld
15 until County is in receipt of complete and correct billings.

16 F. No Payment for Services Provided Following Expiration/Termination of Contract:
17 Contractor shall have no claim against County for payment of any money or reimbursement, of any
18 kind whatsoever, for any service provided by Contractor after the expiration or other termination of this
19 Contract. Should Contractor receive any such payment it shall immediately notify County and shall
20 immediately repay all such funds to County. Payment by County for services rendered after
21 expiration/termination of this Contract shall not constitute a waiver of County's right to recover such
22 payment from Contractor. This provision shall survive the expiration or other termination of this
23 Contract.

24 6. LIMITATION OF COUNTY'S OBLIGATION DUE TO NONAPPROPRIATION OF FUNDS:

25 Notwithstanding any other provision of this Agreement, County shall not be obligated for
26 Contractor's performance hereunder or by any provision of this Agreement during this or any of
27 County's future fiscal years unless and until County's Board of Supervisors appropriates funds for
28 this Agreement in County's Budget for each such fiscal year. Should County, during this or any
29 subsequent fiscal year impose budgetary restrictions which appropriate less than the amount
30 provided for in Paragraph 4 (REIMBURSEMENT), Subparagraph B of this Agreement, County shall
31 reduce services under this Agreement consistent with such imposed budgetary reductions. In the
32 event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June
33 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any
34 such changes in allocation of funds at the earliest possible date.

1 7. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate
2 Contractor's performance under this Agreement on not less than an annual basis. Such evaluation
3 will include assessing Contractor's compliance with all contract terms and performance standards.
4 Contractor deficiencies which County determines are severe or continuing and that may place
5 performance of the Agreement in jeopardy if not corrected will be reported to the Board of
6 Supervisors. The report will include improvement/corrective action measures taken by the County
7 and Contractor. If improvement does not occur consistent with the corrective action measures,
8 County may terminate this Agreement or impose other penalties as specified in this Agreement.

9 8. RECORDS AND AUDITS:

10 A. Contractor shall maintain accurate and complete financial records of its operations as
11 they relate to the services provided under this Agreement in accordance with generally accepted
12 accounting principles, and with all guidelines, standards, and procedures which may be provided by
13 County to Contractor. Minimum standards for accounting principles are set forth in County's
14 Auditor-Controller's Contract Accounting and Administration Handbook which shall be furnished to
15 Contractor by County upon request. Contractor shall also maintain accurate and complete records of
16 all services provided by all professional and other personnel and other records of all services provided
17 hereunder in sufficient detail to permit an evaluation and audit of the services provided under this
18 Agreement. All such records shall be maintained by Contractor at a location in Los Angeles County
19 during the term of this Agreement and for five years thereafter. During such retention period, all
20 such records shall be made available during County's normal business hours to representatives of
21 County and/or State governments for purposes of inspection, program review, and/or audit. In the
22 event any records are located outside Los Angeles County, then Contractor shall pay County for all
23 travel, per diem, and other costs incurred by County for any inspection or audit at such other
24 location.

25 B. In the event that any audit of any or all aspects of this Agreement is conducted of
26 Contractor by any Federal or State auditor, or by any auditor or accountant employed by Contractor
27 or otherwise, then Contractor shall file a copy of such audit report(s) with DMH's Contracts
28 Development and Administration Division within thirty days of Contractor's receipt thereof, unless
29 otherwise provided by applicable Federal or State law or under this Agreement.

30 C. Failure on the part of Contractor to comply with any of the terms of this Paragraph 8
31 shall constitute a material breach of this Agreement upon which County may terminate or suspend
32 this Agreement.

33 9. COUNTY AUDIT SETTLEMENTS: If, at any time during the term of this Agreement or at any
34 time after the expiration or termination of this Agreement, authorized representatives of County

1 conduct an audit of Contractor regarding the services provided hereunder and if such audit finds that
2 County's dollar liability for such services is less than payments made by County to Contractor, then,
3 the difference shall be: (1) repaid by Contractor to County by cash payment upon demand and/or
4 (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor,
5 whether under this Agreement or otherwise. If such audit finds that County's dollar liability for
6 services provided hereunder is more than payments made by County to Contractor, then the
7 difference shall be paid to Contractor by County by cash payment, provided that in no event shall
8 County's Maximum Contract Amount, as set forth in Paragraph 4 (REIMBURSEMENT), be exceeded.

9 10. NOTICE OF DELAYS: Whenever County or Contractor has knowledge that any actual or
10 potential situation is delaying or threatens to delay the timely performance of this Agreement, such
11 party shall, within three business days, give notice thereof, including all relevant information with
12 respect thereto, to the other party.

13 11. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of the
14 Social Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees
15 that for a period of four years following the furnishing of services under this Agreement, Contractor
16 shall maintain and make available, upon written request, to the Secretary of the United States
17 Department of Health and Human Services or the Controller General of the United States, or to any
18 of their duly authorized representatives, the contracts, books, documents and records of Contractor
19 which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore,
20 if Contractor carries out any of the services provided hereunder through any subcontract with a
21 value or cost of TEN THOUSAND DOLLARS (\$10,000) or more over a twelve-month period with a
22 related organization (as that term is defined under Federal law), Contractor agrees that each such
23 subcontract shall provide for such access to the subcontract, books, documents and records of the
24 subcontractor.

25 12. REPORTS:

26 A. Contractor shall make reports as required by Director or State regarding Contractor's
27 activities and operation as they relate to Contractor's performance of this Agreement. In no event
28 may County require such reports unless it has provided Contractor with at least thirty days' prior
29 written notification. County shall provide Contractor with a written explanation of the procedures
30 for reporting the required information.

31 B. Income Tax Withholding:

32 (1) If Contractor has not had a DMH contract in effect for at least the last three
33 consecutive years, Contractor shall submit to DMH's Contracts Development and Administration
34 Division the following reports showing timely payment of employees' Federal and State income tax

1 withholding. Further, Contractor shall provide these reports to DMH whenever requested by
2 Director. These reports shall include, but are not limited to:

3 (a) Within ten days of filing with the Federal or State government, a
4 copy of Contractor's Federal and State quarterly income tax withholding returns (i.e., Federal Form
5 941 and/or State Form DE-3 or their equivalents).

6 (b) Within ten days of each payment, a copy of a receipt for, or other
7 proof of payment of, each employee's Federal and State income tax withholding, whether such
8 payments are made on a monthly or quarterly basis.

9 (2) Required submission of above quarterly and monthly reports by Contractor
10 may be waived or discontinued by Director in writing based on Contractor's demonstration of prompt
11 and appropriate payment of all its obligations. This Subparagraph B shall not apply to governmental
12 agencies.

13 13. NONDISCRIMINATION IN EMPLOYMENT:

14 A. Contractor certifies and agrees that all persons employed by it, its affiliates,
15 subsidiaries, or holding companies are and will be treated equally by it without regard to, or because
16 of, race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap in
17 compliance with all applicable Federal and State anti-discrimination laws and regulations.

18 B. Contractor shall take affirmative action to ensure that qualified applicants are
19 employed, and that employees are treated during employment, without regard to race, color, religion,
20 national origin, ancestry, sex, age, or physical or mental handicap, in compliance with all applicable
21 Federal and State laws and regulations. Such action shall include, but is not limited to, the
22 following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff
23 or termination, rates of pay or other forms of compensation, and selection for training, including
24 apprenticeship.

25 C. Contractor shall post in conspicuous places in each of Contractor's facilities providing
26 services hereunder, available and open to employees and applicants for employment, notices setting
27 forth the provisions of this Paragraph 13.

28 D. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or
29 because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap.

30 E. Contractor shall allow County representatives access to its employment records
31 during regular business hours to verify compliance with the provisions of this Paragraph 13 when so
32 requested by Director.

33 F. Contractor shall comply with all applicable requirements of Section 504 of the
34 Rehabilitation Act of 1973 (29 United States Code Section 794). Policy and procedure guidelines

1 for such compliance are available to Contractor from the DMH's Personnel Division.

2 G. If County finds that any of the above provisions have been violated, the same shall
3 constitute a material breach of this Agreement upon which County may cancel, terminate, or
4 suspend this Agreement. While County reserves the right to determine independently that the
5 anti-discrimination provisions of this Agreement have been violated, in addition, a determination by
6 the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity
7 Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall
8 constitute a finding by County that Contractor has violated the anti-discrimination provisions of this
9 Agreement.

10 H. The parties agree that in the event Contractor violates any of the anti-discrimination
11 provisions of this Paragraph 13, County shall be entitled, at its option, to the sum of FIVE HUNDRED
12 DOLLARS (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of
13 terminating or suspending this Agreement.

14 14. FAIR LABOR STANDARDS: Contractor shall comply with all applicable provisions of the
15 Federal Fair Labor Standards Act, and shall indemnify, defend, and hold harmless County, its
16 officers, employees, and agents, from any and all liability, including, but not limited to, wages,
17 overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage
18 and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for services
19 performed by Contractor's employees for which County may be found jointly or solely liable.

20 15. INDEMNIFICATION AND INSURANCE:

21 A. Indemnification: Contractor agrees to indemnify, defend, and hold harmless County
22 and its Special Districts, elected and appointed officers, employees, and agents (County) from and
23 against any and all liability and expense, including defense costs and legal fees, arising from or
24 connected with claims and lawsuits for damages or workers' compensation benefits relating to
25 Contractor's operations or its services, which result from bodily injury, death, personal injury, or
26 property damage (including damage to Contractor's property). Contractor shall not be obligated to
27 indemnify for liability and expense arising from the active negligence of the County.

28 B. Insurance: Without limiting Contractor's indemnification of County and during the term
29 of this Agreement, Contractor shall provide and maintain at its own expense the following programs of
30 insurance. Such programs and evidence of insurance shall be satisfactory to County and primary to
31 and not contributing with any other insurance maintained by County. Certificates or other evidence of
32 coverage and certified copy(ies) of additional insured endorsements shall be delivered to Department of
33 Mental Health, Attention: Chief, Contracts Development and Administration Division prior to
34 commencing services under this Agreement, shall specifically identify this Agreement, and shall contain

1 express conditions that County is to be given written notice by registered mail at least thirty (30) days
2 in advance of any modification or termination of insurance.

3 Failure by Contractor to procure and maintain the required insurance shall constitute a material
4 breach of contract upon which County may immediately terminate or suspend this Agreement.

5 (1) Liability: Such insurance shall be endorsed naming the County of Los Angeles
6 as an additional insured and shall include, but not be limited to:

7 (a) General Liability: General liability insurance written on a commercial
8 general liability policy Form CG 00 01 or its equivalent covering the hazards of premises/operations,
9 contractual, independent contractors, advertising, products completed operations, broad form property
10 damage, and personal injury with a combined single limit of not less than ONE MILLION DOLLARS
11 (\$1,000,000) per occurrence and TWO MILLION DOLLARS (\$2,000,000) aggregate with no
12 exclusions.

13 (b) Business Automobile Liability: Form CA 00 01 or its equivalent,
14 endorsed for all owned, non-owned and hired vehicles (involved in the provision of services under this
15 Agreement) and non-owned automobile hazards with a combined single limit of ONE MILLION
16 DOLLARS (\$1,000,000) per occurrence.

17 (2) Professional Liability: (ERRORS & OMISSIONS) Insurance covering professional
18 services which includes any service requiring State licensing as a professional or requiring in-depth,
19 specialized knowledge not available to a member of the general public such as physicians,
20 psychologists, drug counselors, attorneys, accountants, computer programmers, architects, engineers
21 and surveyors with a limit of ONE MILLION DOLLARS (\$1,000,000) per occurrence, TWO MILLION
22 DOLLARS (\$2,000,000) aggregate with no exclusions. The policy should be on a claims made form
23 and shall be required to provide an extended two-year reporting period commencing upon termination of
24 said Agreement. (Limits required for obstetricians, gynecologists, and surgeons should be a least TWO
25 MILLION DOLLARS (\$2,000,000) per occurrence, THREE MILLION DOLLARS (\$3,000,000)
26 aggregate.)

27 (3) Workers' Compensation: With statutory limits and employers' liability
28 insurance with limits of not less than ONE MILLION DOLLARS (\$1,000,000) per accident, ONE
29 MILLION DOLLARS (\$1,000,000) per employee for disease and ONE MILLION DOLLARS (\$1,000,000)
30 aggregate policy limit for all diseases.

31 16. WARRANTY AGAINST CONTINGENT FEES:

32 A. Contractor warrants that no person or selling agency has been employed or retained
33 to solicit or secure this Agreement upon any agreement or understanding for any commission,
34 percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established

1 commercial or selling agencies maintained by Contractor for the purpose of securing business.

2 B. For breach or violation of this warranty, County shall have the right to immediately
3 terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or
4 consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or
5 contingent fee.

6 17. CONFLICT OF INTEREST:

7 A. No County employee whose position in County enables such employee to influence
8 the award or administration of this Agreement or any competing agreement, and no spouse or
9 economic dependent of such employee, shall be employed in any capacity by Contractor or have any
10 direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may
11 financially benefit from the provision of services hereunder shall in any way participate in County's
12 approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence
13 County's approval or ongoing evaluation of such services.

14 B. Contractor shall comply with all conflict of interest laws, ordinances and regulations
15 now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants
16 that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter
17 becomes aware of any facts which might reasonably be expected to create a conflict of interest, it
18 shall immediately make full written disclosure of such facts to County. Full written disclosure shall
19 include, without limitation, identification of all persons implicated and complete description of all
20 relevant circumstances.

21 18. UNLAWFUL SOLICITATION: Contractor shall require all of its employees to acknowledge, in
22 writing, understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of
23 Division 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State
24 Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take
25 positive and affirmative steps in its performance hereunder to insure that there is no violation of
26 such provisions by its employees. Contractor shall utilize the attorney referral service of all those
27 bar associations within the County of Los Angeles that have such a service.

28 19. INDEPENDENT STATUS OF CONTRACTOR:

29 A. This Agreement is by and between County and Contractor and is not intended, and
30 shall not be construed, to create the relationship of agent, servant, employee, partnership, joint
31 venture, or association, as between County and Contractor. The employees and agents of one party
32 shall not be, or be construed to be, the employees or agents of the other party for any purpose
33 whatsoever.

34 B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all

1 persons performing work pursuant to this Agreement all compensation and benefits. County shall
2 have no liability or responsibility for the payment of any salaries, wages, unemployment benefits,
3 disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any
4 personnel provided by or on behalf of Contractor.

5 C. Contractor understands and agrees that all persons performing services pursuant to
6 this Agreement are, for purposes of workers' compensation liability, the sole employees of
7 Contractor and not employees of County. Contractor shall be solely liable and responsible for
8 furnishing any and all workers' compensation benefits to any person as a result of any injuries arising
9 from or connected with any services performed by or on behalf of Contractor pursuant to this
10 Agreement.

11 D. Contractor shall provide to County an executed Contractor Employee
12 Acknowledgement of Employer (Exhibit B) for each of its employees performing services under this
13 Agreement. Such Acknowledgements shall be delivered to DMH's Contracts Development and
14 Administration Division on or immediately after the commencement date of this Agreement, but in
15 no event later than date any such employee first performs services under this Agreement.

16 20. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF OR FORMER
17 COUNTY EMPLOYEES ON A REEMPLOYMENT LIST: Should Contractor require additional or
18 replacement personnel after the effective date of this Agreement to perform the services set forth
19 herein, Contractor shall give first consideration for such employment openings to qualified permanent
20 County employees who are targeted for layoff or qualified former County employees who are on a
21 reemployment list during the term of this Agreement.

22 21. CONSIDERATION FOR HIRING GREATER AVENUES FOR INDEPENDENCE (GAIN)
23 PARTICIPANTS: Should Contractor require additional or replacement personnel after the effective
24 date of this Agreement, Contractor shall give consideration for any such employment openings to
25 participants in the County's Department of Public Social Services' Greater Avenues for Independence
26 (GAIN) Program who meet Contractor's minimum qualifications for the open position. The County
27 will refer GAIN participants by job category to the Contractor.

28 22. DELEGATION AND ASSIGNMENT: Contractor shall not delegate its duties or assign its
29 rights under this Agreement, or both, either in whole or in part, without the prior written consent of
30 County. Any prohibited delegation or assignment shall be null and void and shall constitute a
31 material breach of this Agreement upon which County may immediately terminate this Agreement.
32 Any payments by County to any delegatee or assignee on any claim under this Agreement, in
33 consequence of any such consent, shall be subject to set off, recoupment, or other reduction for any
34 claim which Contractor may have against County.

1 23. SUBCONTRACTING:

2 A. No performance of this Agreement, or any portion thereof, shall be subcontracted by
3 Contractor without the prior written consent of County as provided in this Paragraph 23. Any
4 attempt by Contractor to subcontract any performance, obligation, or responsibility under this
5 Agreement, without the prior written consent of County, shall be null and void and shall constitute a
6 material breach of this Agreement. Notwithstanding any other provision of this Agreement, in the
7 event of any such breach by Contractor, this Agreement may be terminated forthwith by County.
8 Notwithstanding any other provision of this Agreement, the parties do not in any way intend that
9 any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

10 B. If Contractor desires to subcontract any portion of its performance, obligations, or
11 responsibilities under this Agreement, Contractor shall make a written request to County for written
12 approval to enter into the particular subcontract. Contractor's request to County shall include:

13 (1) The reasons for the particular subcontract.
14 (2) A detailed description of the services to be provided by the subcontract.
15 (3) Identification of the proposed subcontractor and an explanation of why and

32 I. In the event that County consents to any subcontracting, such consent shall apply to
33 each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 23
34 or a blanket consent to any further subcontracting.

1 J. In the event that County consents to any subcontracting, Contractor shall be solely
2 liable and responsible for any and all payments and/or other compensation to all subcontractors and
3 their officers, employees, and agents. County shall have no liability or responsibility whatsoever for

- 9 3. Exhibit C (Subcontractor Employee Acknowledgement of Employer).

10 37. WAIVER: No waiver by County of any breach of any provision of this Agreement shall
11 constitute a waiver of any other breach of such provision. Failure of County to enforce at any time,
12 or from time to time, any provision of this Agreement shall not be construed as a waiver thereof.
13 The rights and remedies set forth in this Paragraph 37 shall not be exclusive and are in addition to

18 with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of
19 Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply
20 with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which
21 County may immediately terminate or suspend this Agreement.

22 44. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that
23 all locations where services are provided under this Agreement are operated at all times in
24 accordance with all County community standards with regard to property maintenance and repair,

11 Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set
12 forth under this Paragraph ~~45B~~ (Contractor's Warranty of Adherence to County's Child Support
13 Compliance Program) shall constitute default under this contract. Without limiting the rights and
14 remedies available to County under any other provision of this contract, failure of Contractor to cure

27 the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County
28 Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are
29 inconsistent with the terms of the Ordinance.

30 A. A responsible Contractor is a Contractor who has demonstrated the attribute of
31 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
32 contract. It is the County's policy to conduct business only with responsible contractors.

33 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the
34 County Code, if the County acquires information concerning the performance of the Contractor on

1 this or other Agreements which indicates that the Contractor is not responsible, the County may, in
2 addition to other remedies provided in the Agreement, debar the Contractor from bidding or
3 proposing on, or being awarded, and/or performing work on County Agreements for a specified
4 period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor
5 may have with the County.

7 discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement
8 with the County or a nonprofit corporation created by the County, (2) committed an act or omission
9 which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with
10 the County, any other public entity, or a nonprofit corporation created by the County, or engaged in
11 a pattern or practice which negatively reflects on same, (3) committed an act or offense which
12 indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim
13 against the County or any other public entity.

15 Department will notify the Contractor in writing of the evidence which is the basis for the proposed
16 debarment and will advise the Contractor of the scheduled date for a debarment hearing before the
17 Contractor Hearing Board.

18 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed
19 debarment is presented. The Contractor and/or the Contractor's representative shall be given an
20 opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall
21 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the
22 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The
23 Contractor and the Department shall be provided an opportunity to object to the tentative proposed
24 decision prior to its presentation to the Board of Supervisors.

29 G. These terms shall also apply to subcontractors of County Contractors.

30 49. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

31 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from
32 providing services under any health care program funded by the Federal government, directly or
33 indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days
34 in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion

1 from participation in a Federally funded health care program; and (2) any exclusionary action taken
2 by any agency of the Federal government against Contractor or one or more staff members barring it
3 or the staff members from participation in a Federally funded health care program, whether such bar
4 is direct or indirect, or whether such bar is in whole or in part.

5 There are a variety of different reasons why an individual or entity may be excluded from
6 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and
7 in other cases the OIG has the discretion not to exclude.

8 The mandatory bases for exclusion include: (1) felony convictions for program related
9 crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled
10 substances, or (2) convictions related to patient abuse.

11 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or
12 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to
13 provide access to documents or premises as required by federal healthcare program officials; (4)
14 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information
15 about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state
16 license to practice a healthcare profession; (7) default on a student loan given in connection with
17 education in a health profession; (8) charging excessive amounts to a Federally funded health care
18 program or furnishing services of poor quality or which are substantially in excess of the needs of
19 the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or
20 managing excluded entities who knew of the conduct leading to the exclusion can themselves be
21 excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

22 Contractor shall indemnify and hold County harmless against any and all loss or damage
23 County may suffer arising from any Federal exclusion of Contractor or its staff members from such
24 participation in a Federally funded health care program. Contractor shall provide the certification set
25 forth in Service Exhibit F as part of its obligation under this Paragraph 49.

26 Failure by Contractor to meet the requirements of this Paragraph 49 shall constitute a
27 material breach of Agreement upon which County may immediately terminate or suspend this
28 Agreement.

29 50. CONTRACTOR'S OBLIGATION AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH
30 INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement,
31 Contractor (also Business Associate) provides services to County (also Covered Entity) and Business
32 Associate receives, has access to or creates Protected Health Information in order to provide those
33 services. Covered Entity is subject to the Administrative Simplification requirements of the Health
34 Insurance Portability and Accountability Act of 1996, and regulations promulgated thereunder,

1 including the Standards for Privacy of Individually Identifiable Health Information at 45 Code of
2 Federal Regulations Parts 160 and 164 ("Privacy Regulations"). The Privacy Regulations require
3 Covered Entity to enter into a contract with Business Associate in order to mandate certain
4 protections for the privacy and security of Protected Health Information, and those Regulations
5 prohibit the disclosure to or use of Protected Health Information by Business Associate if such a
6 contract is not in place.

7 Therefore, the parties agree as follows:

8 **DEFINITIONS**

9 1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the
10 release, transfer, provision of access to, or divulging in any other manner of Protected Health
11 Information outside Business Associate's internal operations or to other than its employees.

12 1.2 "Individual" means the person who is the subject of Protected Health Information and
13 shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. §
14 164.502(g).

15 1.3 "Protected Health Information" has the same meaning as the term "protected health
16 information" in 45 C.F.R. § 164.501, limited to the information created or received by Business
17 Associate from or on behalf of Covered Entity. Protected Health Information includes information
18 that (i) relates to the past, present or future physical or mental health or condition of an Individual;
19 the provision of health care to an Individual, or the past, present or future payment for the provision
20 of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis
21 for believing that the information can be used to identify the Individual); and (iii) is received by
22 Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is
23 made accessible to Business Associate by Covered Entity.

24 1.4 "Required By Law" means a mandate contained in law that compels an entity to
25 make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law.
26 Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas
27 or summons issued by a court, grand jury, a governmental or tribal inspector general, or any
28 administrative body authorized to require the production of information; a civil or an authorized
29 investigative demand; Medicare conditions of participation with respect to health care providers
30 participating in the program; and statutes or regulations that require the production of information,

24 to the County's satisfaction that Contractor either continues to remain outside of the Jury Service
25 Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the
26 Program.

27 (4) Contractor's violation of this section of the Agreement may constitute a material

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|---|---|
| <ul style="list-style-type: none"> ➤ Responsiveness ➤ Professionalism ➤ Accountability ➤ Compassion | <ul style="list-style-type: none"> ➤ Integrity ➤ Commitment ➤ A Can-Do Attitude ➤ Respect for Diversity |
|---|---|

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following **Customer Service And Satisfaction Standards** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

34.0 CONSULTANT'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Consultant hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Consultant will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Consultant or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Consultant or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of

controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subconsultants or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Consultant shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Consultant or its staff members from such participation in a Federally funded health care program. Consultant shall provide the certification set forth in Service Exhibit G as part of its obligation under this Paragraph **34**.

Failure by Consultant to meet the requirements of this Paragraph **34** shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

35.0 CONSULTANT'S OBLIGATION AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996:

(1) Unless Consultant has demonstrated to the County's satisfaction either that Consultant is not a "Consultant" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Consultant qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Consultant shall have and adhere to a written policy that provides that its Employees shall receive from the Consultant, on an annual basis, no less than five days of regular pay for actual jury service. COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|---|---|
| <ul style="list-style-type: none"> ➤ Responsiveness ➤ Professionalism ➤ Accountability ➤ Compassion | <ul style="list-style-type: none"> ➤ Integrity ➤ Commitment ➤ A Can-Do Attitude ➤ Respect for Diversity |
|---|---|

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following **Customer Service And Satisfaction Standards** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
